**UNFINISHED BUSINESS**

February 25, 2003

The Honorable Dave Wanzenried  
House Minority Leader  
State Capitol Building  
Helena, MT

Dear Representative Wanzenried:

Yesterday you asked me what the intentions of the majority are with regard to HB 74. The answer very quickly becomes enigmatic.

It is now apparent to everyone that the vast majority of House Democrats are not, under any circumstances, going to support using the Coal Tax Trust Fund. That being the case, I find myself for the first time this session, asking you to do something and then to get back to me.

Since your caucus finds itself unable to support any use of the Coal Tax Trust Fund, I would ask you, upon return from the coming transmittal break, to meet with me and present your proposals for balancing the 2004-2005 budget. Please provide me with appropriate specifics as to what budget reductions you would recommend, and what revenue enhancements (taxes, transfers, etc.) you would also recommend.

My understanding of a reasonable compromise is as follows: If I take a position at the number one and you take a position at the number ten, the complete compromise is found around five and one-half, not nine and not two.

To return to your original question, what happens to Representative Lewis' HB 74 depends to a large degree upon the quality of your upcoming proposals. HB 74 may be gone, or it could return. I do not know.

I look forward to meeting with you after the transmittal break.

Sincerely,

Doug Mood  
Speaker of the House

February 27, 2003

The Honorable Doug Mood  
Speaker of the House  
State Capitol  
Helena, Montana 59620

The Honorable Bob Keenan  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Speaker Mood and President Keenan:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 79, "**AN ACT PROVIDING THAT AN INDIVIDUAL OR A NONPROFIT ORGANIZATION IS NOT LIABLE FOR CIVIL DAMAGES RESULTING FROM THE INDIVIDUAL'S OR ORGANIZATION'S PLACEMENT OF A SIGN OR MARKER WARNING OF A HAZARD IN WATER LEGALLY ACCESSIBLE TO THE PUBLIC; PROVIDING CRITERIA FOR THE PLACEMENT OF THE SIGNS OR MARKERS; AND REQUIRING THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS TO INFORM THE PUBLIC OF THE PLACEMENT, USE, AND SIGNIFICANCE OF WATER HAZARD SIGNS AND MARKERS**" for the following reasons.

HOUSE JOURNAL  
FORTY-FIFTH LEGISLATIVE DAY - FEBRUARY 28, 2003

**House bill 79 is pre-empted by federal law.** Federal law preempts state law in regard to aids to maritime navigation without first obtaining authority to do so from the federal government. See, 14 U.S.C.S. Section 83 (2003); see also, 33 CFR Section 66.01. Currently, there exist numerous federally designated waterways in the State of Montana under the jurisdiction of the United States Coast Guard. House Bill 79 fails to address these federally designated waterways. Moreover, House Bill 79 will give an erroneous belief that it is legal to establish "white plastic milk bottle" buoys in federally designated waterways.

I recommend an amendment to House Bill 79 that addresses the jurisdictional concerns that specify that the provisions of this section apply only to the waters of this state that have been determined to be navigable for purposes of federal jurisdiction.

**House Bill 79 to include an effective date.** I also recommend that this bill be amended to have an effective date on passage and approval.

I have enclosed my amendments to that effect. Please be advised that Representative Jackson, the sponsor of the bill, has been informed of my recommendations and has no objections.

Sincerely,

JUDY MARTZ  
Governor

March 27, 2003

The Honorable Doug Mood  
Speaker of the House  
State Capitol  
Helena, Montana 59620

The Honorable Bob Keenan  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Speaker Mood and President Keenan:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 311, "AN ACT INCLUDING EGGNOG IN THE DEFINITION OF "CLASS I MILK" INSTEAD OF IN THE DEFINITION OF "CLASS II MILK" TO CORRELATE WITH FEDERAL STANDARDS; REQUIRING THE DEPARTMENT OF LIVESTOCK TO ASSESS A FEE FOR ALL CLASSES OF MILK SOLD BY A PERSON LICENSED BY THE DEPARTMENT TO BE USED FOR THE ADMINISTRATION OF THE MILK INSPECTION AND MILK DIAGNOSTIC LABORATORY FUNCTIONS OF THE DEPARTMENT; PROVIDING THAT THE FEE MUST BE ESTABLISHED COMMENSURATE WITH COSTS OF THE PROGRAM; REQUIRING LICENSEES TO REPORT TO THE DEPARTMENT ON A MONTHLY BASIS THE VOLUME OF MILK PRODUCED; AMENDING SECTIONS 81-23-101 AND 81-23-202, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE" for the following reasons.

**House Bill 311 to include an effective date of July 1, 2003.** I recommend that House Bill 311 be amended to have an effective date of July 1, 2003. This bill has a current effective date on passage and approval, and if stands, will create a revenue shortfall for the last quarter of FY03 in the Department of Livestock, Milk Control Bureau. Currently, fees are collected for the Department of Livestock *after* production and reporting--consequently, a FY quarter in arrears. An effective date of July 1, 2003 allows time for necessary rule changes to take place and allows time for a FY04 (July 1, 2003) implementation date. This will assure that current revenue income and operation will not be interrupted.

I have enclosed my amendment to that effect. Please be advised that Representative Stoker, the sponsor of the bill, has been informed of my recommendation and has no objection.

Sincerely,

HOUSE JOURNAL  
FORTY-EIGHTH LEGISLATIVE DAY - MARCH 7, 2003

for each grade for positions classified under the provisions of part 2 of this chapter.

(b) Each employee newly hired by the state of Montana must be hired at the entry rate, except as provided in subsections (6) through (9).

(c) On the first day of the first complete pay period in fiscal year ~~2002~~ 2004, each employee is entitled to the amount of the employee's base salary as it was on June 30, ~~2001~~ 2003.

~~—(d) Effective on the first day of the pay period that includes an employee's anniversary date during the fiscal years ending June 30, 2002, and June 30, 2003, the employee's base salary must be increased by 4% or by a lesser amount so that the employee's base salary after the increase does not exceed the maximum salary of the pay grade as provided in subsection (1)(f). An employee's base salary increases resulting from subsection (1)(e) and this subsection may not exceed a maximum of 4% in each fiscal year. For employees hired on or before September 30, 1994, the anniversary date is October 1.~~

~~(e)(d)~~ An employee's base salary may be no less than the entry salary for the employee's assigned grade.

~~(f)(e)~~ The maximum salary for each grade is determined by subtracting the entry salary from the market salary and adding that amount to the market salary.

(2) The pay ~~schedules~~ schedule provided in 2-18-312 and the provisions of subsection (1) of this section do not apply to those teachers or blue-collar occupations compensated under the pay schedules provided in 2-18-313 and 2-18-315.

(3) The pay schedules provided in 2-18-313 and 2-18-315 must be implemented as follows:

(a) (i) The pay ~~schedules~~ schedule provided for in 2-18-313 ~~indicate~~ indicates the annual compensation for teachers employed under the authority of the department of corrections or the department of public health and human services for fiscal years ~~2002~~ 2004 and ~~2003~~ 2005.

(ii) The compensation of each teacher on July 1, ~~2001~~ 2003, is the same as it was on June 30, ~~2001~~ 2003.

~~—(iii) On the first day of the first pay period that includes October 1 of each fiscal year, a teacher employed under the authority of the department of public health and human services or the department of corrections before October 1, 1994, shall advance one step on the appropriate pay schedule adopted in 2-18-313. A teacher hired after October 1, 1994, shall advance on the teacher's actual anniversary date.~~

(b) The pay ~~schedules~~ schedule provided in 2-18-315 ~~indicate~~ indicates the maximum hourly compensation for fiscal years ending June 30, ~~2002~~ 2004, and June 30, ~~2003~~ 2005, for employees in apprentice trades and crafts and other blue-collar occupations recognized in the state blue-collar classification plan who are members of units that have collectively bargained separate classification and pay plans.

(c) The compensation of each employee on the first day of the first pay period in each fiscal year is that amount corresponding to the grade occupied on the last day of the preceding fiscal year.

(4) (a) (i) ~~★ If the legislature authorizes a pay increase for state employees, a member of a bargaining unit may not receive a pay increase until the employer's collective bargaining representative receives written notice that the employee's bargaining unit has ratified a completely integrated collective bargaining agreement covering the biennium ending June 30, 2003.~~

(ii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by ~~July 1, 2001~~ the date on which a legislatively authorized pay increase is implemented, retroactivity to that date may be negotiated.

(iii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by ~~July 1, 2001~~ the date on which a legislatively authorized pay increase is implemented, members of the bargaining unit must continue to receive the compensation that they were receiving ~~as of June 30, 2001~~, until an agreement is ratified.

(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly implement the pay schedules and adjustments provided in 2-18-312, 2-18-313, 2-18-315, and this section may be provided for in collective bargaining agreements.

(5) The current wage or salary of an employee may not be reduced by the implementation of the pay schedules provided for in 2-18-312, 2-18-313, and 2-18-315.

(6) The department may authorize a separate pay schedule for classes of medical professionals if the rates

HOUSE JOURNAL  
FIFTY-FIRST LEGISLATIVE DAY - MARCH 11, 2003

provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified professionals.

(7) (a) The department may develop and implement an alternative pay and classification plan for certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan may be established and changed based on demonstrated competencies and accomplishments, on the labor market, and on other situations defined by the department.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(8) The department may develop programs that enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. To the extent that the program applies to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.

(9) The department shall review the competitiveness of the compensation provided to all occupations under this part. If the department finds that substantial problems exist with recruitment and retention because of inadequate salaries when compared to competing employers, the department may establish criteria allowing an adjustment in pay or classification to mitigate the problems. To the extent that these adjustments apply to employees within a collective bargaining unit, the implementation of these adjustments is a negotiable subject under 39-31-305."

**interentity loans.** (1) For each employee who voluntarily terminates employment pursuant to [sections 1 through 8], each agency shall determine the cost of the payments to be provided to the employee pursuant to [sections 3 and 4].

(2) (a) For each employee who voluntarily terminates employment under [sections 1 through 8] and who is compensated in whole or in part from nongeneral fund money or nonfederal fund money, the agency shall, at the time of the employee's termination, transfer to the account established in [section 6] an amount equal to the proportionate share of the cost of providing the payments pursuant to [sections 1 through 8] for that employee. The proportionate share must be calculated based on the nongeneral and nonfederal funds used to compensate the employee during the 2002 fiscal year.

(b) If an agency, in consultation with the approving authority, determines that it does not have sufficient funds to complete the transfer required in subsection (2)(a) at the time of the employee's termination or that the transfer would limit the agency's ability to meet matching fund requirements, the approving authority may approve a payment schedule for the agency to transfer the funds, plus 3% interest on the funds compounded annually, over a period of time not exceeding 5 years from the original date of the transfer required under subsection (2)(a).

(3) For each employee who voluntarily terminates employment under [sections 1 through 8], each agency shall determine the share of federal funds associated with the cost of the payments that must be made to the employee pursuant to [sections 1 through 8] and shall provide this information to the department of administration for inclusion in the statewide cost allocation plan provided for in 17-3-110. Any federal funds received by the agency as reimbursements for costs incurred pursuant to [sections 1 through 8] must be deposited in the general fund, as provided in 17-3-111(2), then transferred by the agency to the account established in [section 6].

(4) On August 1, 2003, the budget director, appointed pursuant to 17-7-103, shall transfer from the general fund to the account established in [section 6] \$18,268,000.

(5) The department may provide interentity loans pursuant to 17-2-107 to the account established in [section 6] if the loans are necessary to meet cashflow demands pursuant to obligations incurred under [sections 1 through 8]. The time period over which the loans must be repaid may be extended, as provided in 17-2-107(3), for additional 1-year periods, up to a total of 5 years."

**"17-2-107. Accurate accounting records and interentity loans.** (1) The department shall record receipts and disbursements for treasury funds and for accounting entities within treasury funds and shall maintain records in a manner that reflects the total cash and invested balance of each fund and each accounting entity. The department shall adopt the necessary procedures to ensure that interdepartmental or intradepartmental transfers of money or loans

HOUSE JOURNAL  
FIFTY-FIRST LEGISLATIVE DAY - MARCH 11, 2003

do not result in inflation of figures reflecting total governmental costs and revenue.

(2) (a) Subject to 17-2-105, when the expenditure of an appropriation from a fund designated in 17-2-102(1) through (3) is necessary and the cash balance in the accounting entity from which the appropriation was made is insufficient, the department may authorize a temporary loan, bearing no interest, of unrestricted money from other accounting entities if there is reasonable evidence that the income will be sufficient to repay the loan within 1 calendar year and if the loan is recorded in the state accounting records. An accounting entity receiving a loan or an accounting entity from which a loan is made may not be so impaired that all proper demands on the accounting entity cannot be met even if the loan is extended.

(b) (i) When an expenditure from a fund or subfund designated in 17-2-102(4) is necessary and the cash balance in the fund or subfund from which the expenditure is to be made is insufficient, the commissioner of higher education may authorize a temporary loan, bearing interest as provided in subsection (4) of this section, of money from the agency's other funds or subfunds if there is reasonable evidence that the income will be sufficient to repay the loan within 1 calendar year and if the loan is recorded in the state accounting records. A fund or subfund receiving a loan or from which a loan is made may not be so impaired that all proper demands on the fund or subfund cannot be met even if the loan is extended.

(ii) One accounting entity within each fund or subfund designated in 17-2-102(4) must be established for the sole purpose of recording loans between the funds or subfunds. This accounting entity is the only accounting entity within each fund or subfund that may receive a loan or from which a loan may be made.

(c) A loan made under subsection (2)(a) or (2)(b) must be repaid within 1 calendar year of the date on which the loan is approved unless it is extended under subsection (3) or by specific legislative authorization.

(3) Under unusual circumstances, the director of the department or the board of regents may grant one extension for up to 1 year, except as provided in [section 8(5)], for a loan made under subsection (2)(a) or (2)(b). The director or board shall prepare a written justification and proposed repayment plan for each loan extension authorized and shall furnish a copy of the written justification and proposed repayment plan to the house appropriations and senate finance and claims committees at the next legislative session.

(4) Any loan from the current unrestricted subfund to funds designated in 17-2-102(4)(a)(iv) and (4)(b) through (4)(f) must bear interest at a rate equivalent to the previous fiscal year's average rate of return on the board of investments' short-term investment pool.

(5) If for 2 consecutive fiscal yearends a loan or an extension of a loan has been authorized to the same accounting entity as provided in subsection (2) or (3), the department or the commissioner of higher education shall submit to the legislative finance committee by September 1 of the following fiscal year a written report containing an explanation as to why the second loan or extension was made, an analysis of the solvency of the accounting entity or accounting entities within the university fund or subfund, and a plan for repaying the loans.

(6) If for 2 consecutive fiscal yearends an accounting entity in a fund or subfund designated in 17-2-102(4) has a negative cash balance, the commissioner of higher education shall submit to the legislative finance committee by September 1 of the following fiscal year a written report containing an explanation as to why the accounting entity has a negative cash balance, an analysis of the solvency of the accounting entity, and a plan to address any problems concerning the accounting entity's negative cash balance or solvency.

(7) (a) An accounting entity in a fund designated in 17-2-102(1) through (3) may not have a negative cash balance at fiscal yearend. The department may, however, allow a fund type within each agency to carry a negative balance at any point during the fiscal year if the negative cash balance does not exist for more than 7 working days.

(b) (i) Except as provided in subsection (7)(b)(ii) of this section, a unit of the university system shall maintain a positive cash balance in the funds and subfunds designated in 17-2-102(4).

(ii) If a fund or subfund inadvertently has a negative cash balance, the department may allow the fund or subfund to carry the negative cash balance for no more than 7 working days. If the negative cash balance exists for more than 7 working days, a transaction may not be processed through the statewide accounting system for that fund or subfund.

(8) Notwithstanding the provisions of subsections (2) through (4), the department may authorize loans to accounting entities in the federal and state special revenue funds with long-term repayment whenever necessary

HOUSE JOURNAL  
FIFTY-FIRST LEGISLATIVE DAY - MARCH 11, 2003

because of the timing of the receipt of agreed-upon reimbursements from federal, private, or other governmental entity sources for disbursements made. If possible, the loans must be made from funds other than the general fund. The department may approve the loans if the requesting agency can demonstrate that the total loan balance does not exceed total receivables from federal, private, or other governmental entity sources and receivables have been billed on a timely basis. The loan must be repaid under terms and conditions that may be determined by the department or by specific legislative authorization.

(9) A loan may not be authorized under this section to any fund or accounting entity that is owed federal or other third-party funds unless the requesting agency certifies to the agency approving the loan that it has and will continue to bill the federal government or other third party for the requesting agency's share of costs incurred in the fund or accounting entity on the earliest date allowable under federal or other third-party regulations applicable to the program. The requesting agency shall recertify its timely billing status to the agency that approved the loan at least monthly during the term of the loan. If at any time the requesting agency fails to recertify the timely billing, the agency that approved the loan shall cancel the loan and return the money to its original source."

An appropriation item designated "Restricted" may be used during the biennium only for the purpose designated by its title and as presented to the legislature. An appropriation item designated "One Time Only" or "OTO" may not be included in the present law base for the 2007 biennium. The office of budget and program planning shall establish a separate appropriation on the statewide budgeting and accounting system for any item designated as "Biennial", "Restricted", "One Time Only", or "OTO". The office of budget and program planning shall establish at least one appropriation on the statewide budgeting and accounting system for any appropriation that appears as a separate line item in [this act].  
**NEW SECTION. Section 5. Program definition.** As used in [this act], "program" has the same meaning as defined in 17-7-102, is consistent with the management and accountability structure established on the statewide budgeting and

accounting system, and is identified as a major subdivision of an agency ordinarily numbered with an arabic numeral.  
**NEW SECTION. Section 6. Personal services funding -- 2007 biennium.** (1) Except as provided in subsection (2), present law and new proposal funding budget requests for the 2007 biennium submitted under Title 17, chapter 7, part 1, by each executive, judicial, and legislative branch agency must include funding of first level personal services separate from funding of other expenditures. The funding of first level personal services by accounting entity or equivalent for each fiscal year must be shown at the fourth reporting level or equivalent in the budget request for the 2007 biennium submitted by October 30 to the legislative fiscal analyst by the office of budget and program planning.

(2) The provisions of subsection (1) do not apply to the Montana university system.

**NEW SECTION. Section 7. Totals not appropriations.** The totals shown in [this act] are for informational purposes only and are not appropriations.

This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The branch may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

If House Bill No. 18 is not passed and approved, item 1 is decreased by \$1,747,342 of state special revenue money in fiscal year 2004 and by \$1,721,019 of state special revenue money in fiscal year 2005.

If House Bill No. 18 is passed and approved, item 1 is decreased by \$35,500 of general fund money in each year of the biennium. The branch may reallocate this reduction in funding among programs in its 2005 biennium operating plans.

The supreme court is requested to report on the accomplishments and progress of implementing the branch information technology strategic plan to the general government and transportation appropriation subcommittee during the 2005 legislative session. The report is to include an analysis of the viability for continuance of the branch information technology effort and a list of accomplishments, including but not limited to the goals and objectives established in the branch information technology strategic plan.

Item 1 includes a reduction in general fund money of \$40,916 in fiscal year 2004 and \$40,281 in fiscal year 2005. This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The office may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

The legislature recognizes that the cost for extradition and transportation of prisoners is dependent upon factors beyond the control of the agency and may exceed the appropriation provided. In that event, the agency will need to request a supplemental appropriation from the 2005 legislature to provide required extradition and transportation of prisoners.

#### SECRETARY OF STATE (3201)

The secretary of state is appropriated up to \$20 million of federal special revenue and up to \$750,000 of state special revenue for the 2005 biennium to provide voter services under the federal Help America Vote Act of 2002. Federal special revenue funds are contingent upon receiving federal grant authority under the Help America Vote Act. State special revenue funds are contingent upon receiving matching funds from local government voting entities. Funding is restricted for use only on expenditures associated with the Help America Vote Act and are biennial appropriations for the 2005 biennium.

The department may adjust appropriations in the general operations, construction, maintenance, and transportation planning programs between state special revenue and federal special revenue fund types if the total state special revenue authority for these programs is not increased by more than 10% of the total appropriations established by the legislature for each program. All transfers between fund types must be fully explained and justified by budget documents submitted to the office of budget and program planning, and all fund transfers of more than \$1 million in any 30-day period must be communicated to the legislative finance committee in a written report.

All federal special revenue appropriations in the department are biennial.

All appropriations in the general operations, construction, maintenance, and transportation planning programs are biennial.

Item 2 includes a total of \$63,690 for the 2005 biennium for the Montana natural resource information system. Quarterly payments must be made upon receipt of the bills from the state library, up to the total amount appropriated.

Item 1 includes a reduction in general fund money of \$300,648 in fiscal year 2004 and \$298,946 in fiscal year 2005. This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The agency may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

Liquor division proprietary funds necessary to maintain adequate inventories, pay freight charges, and transfer profits and taxes to appropriate accounts are appropriated from the liquor enterprise fund (06005) to the department in amounts not to exceed \$67,588,169 in fiscal year 2004 and \$70,782,541 in fiscal year 2005.

In the liquor division, upon a termination that requires a payout of accrued leave balances, liquor division proprietary funds are appropriated from the liquor enterprise fund (06005) to the department in the amount equal to the payout of the accrued leave balances, not to exceed \$30,000 for each of fiscal years 2004 and 2005.

In the event that the department is unable to meet statutory service levels because of the increase in demand for liquor products, the department may hire additional temporary employees or pay overtime, whichever is determined to be the more cost-effective, to maintain required service levels to stores. In fiscal year 2004 and in fiscal year 2005, the department is appropriated not more than \$40,000 each year for additional costs from the liquor enterprise fund.

The department shall present reports to the revenue and transportation interim committee that show the cost of tax compliance staff and the additional revenue generated from providing the associated tax compliance. The department shall identify the costs and revenue separately for the additional staff added during the August 2002 special legislative session. The revenue and transportation interim committee may determine the frequency for reporting by the department on compliance staff revenue.

Item 2 includes a reduction of \$229,571 in fiscal year 2004 and \$229,571 in fiscal year 2005 of general fund money and like increases in state special revenue that are contingent upon passage and approval of House Bill No. 126 in a form that provides for fines to be deposited in a state special revenue fund. If House Bill No. 126 is passed and approved and revenue deposited in the state special revenue fund is less than the amount of state special revenue contained in item 2, there is appropriated from the general fund up to \$200,000 in fiscal year 2004 and \$200,000 in fiscal year 2005. If House Bill No. 126 is not passed and approved, state special revenue in item 2 is reduced and general fund money is increased by \$229,571 in fiscal year 2004 and by \$229,571 in fiscal year 2005.

Item 2 includes a reduction in general fund money of \$35,126 in fiscal year 2004 and \$35,422 in fiscal year 2005. This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The agency may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

Item 1 includes \$33,269,235 of federal funds in fiscal year 2004 and \$33,269,235 of federal funds in fiscal year 2005 to fund cash assistance benefits provided under Montana's temporary assistance for needy families (TANF) grant. If caseloads decrease below this level of funding, resulting in a surplus of federal TANF funds, the first \$4 million of surplus funds will be designated as a "rainy day" fund. The rainy day fund may be used for benefit expenditures that may be necessary as a result of future caseload increases or decreases in the federal TANF grant allocation. Surplus funds in excess of \$4 million dollars may be used for other allowable purposes under state and federal law. Expenditures of surplus funds in excess of \$4 million may be made to provide recipients covered by Montana's TANF plan:

- (1) child-care subsidies;
- (2) training and education programs to achieve employment in higher wage jobs, including programs offered by tribal colleges; or
- (3) supportive services needed for employment of TANF recipients.

Items 1a, 1b, 2a, 2b, 4a, 6a through 6d, 9c through 9g, 10c through 10g, 11b through 11h, and 12b through 12d are contingent upon passage and approval of a bill or bills that establish a state special revenue account for prevention and stabilization of department programs that receives at least \$32 million of estimated revenue each year of the 2005 biennium from cigarette and chew tobacco taxes, reallocation of tobacco settlement proceeds allocated by 17-6-606 (2), and other sources.

Funding in item 1a may be used only to provide child-care subsidies, except if Montana receives federal child-care funding greater than the level of federal child-care funding received in fiscal year 2002 (not including TANF grant funds transferred to child care), a portion of the funds in item 1a may be used to provide benefits and services under Montana's TANF program.

Personal services funding for 5 FTE in item 3a is considered a one-time appropriation.

Item 6e includes \$80,000 each year for each federally recognized tribe within Montana in accordance with 17-6-602(3)(b)(ii) that submits and administers a tobacco prevention and control program that meets the conditions required of all community-based contractors. If tobacco prevention and control funds granted to a federally recognized tribe within Montana are not fully expended by the individual grantee within the contract period, these funds may be reallocated for other tobacco use prevention purposes.

If House Bill No. 727 is not passed and approved, funding in item 9 is increased by \$1,915,198 of general fund money in fiscal year 2004 and by \$1,915,952 of general fund money in fiscal year 2005, which includes funding for an additional 60.27 FTE in fiscal year 2004 and an additional 92.27 FTE in fiscal year 2005. If House Bill No. 727 is not passed and approved, general fund money in item 11 is reduced by \$7,452 in fiscal year 2004 and by \$7,488 in fiscal year 2005.

The department shall distribute funds in item 10b in a way that provides reasonable assurance that the funds are used solely

for therapeutic group homes. Rate increases may vary among types of group homes. Funds appropriated in item 10b may be used only for rate increases for therapeutic group homes. Funds in item 10b may not be used to fund other programs.

Up to \$500,000 from cigarette tax revenue allocated to Montana veterans' homes in 16-11-119 may be appropriated to the senior and long-term care division above the level appropriated from cigarette tax revenue in item 11 in fiscal year 2004. The appropriation may be established subject to a determination by the office of budget and program planning that federal revenue and private revenue in fiscal year 2004 are insufficient to operate the homes at capacity to maximize collection of federal and private payments. The office of budget and program planning shall notify the legislative finance committee if it determines that the conditions are met and when the appropriation will become effective.

Funds in item 11a may be used only to make one-time payments to nursing homes based on the number of medicaid services provided. State special revenue in item 11a may be expended only after the office of budget and program planning has certified that the department has received \$1 million each year from counties participating in the intergovernmental transfer program for nursing homes.

The department shall distribute funds in item 11f in a way that provides reasonable assurance that the funds are used solely for direct-care wage and benefit increases. Not all providers or types of direct-care workers must receive the same rate increase for the biennium. Funds appropriated in item 11f may be used only for direct-care worker wage increases. Funds in item 11f may not be used to fund other programs.

Item 12a may be expended only for mental health services. The office of budget and program planning shall certify that the department has received a federal mental health block grant prior to allowing expenditures against the appropriation.

The department is to report to the natural resources and commerce appropriations subcommittee on the projects funded with federal Sikes Act money and state match money. The report is to include an analysis of the viability for continuance of the program and a list of projects funded with the money.

If the department receives additional federal special revenue for services comparable to those with general license revenue, the approving authority shall decrease the state special revenue appropriation by the amount of federal money received and establish the federal funds appropriation. All transfers between fund types must be fully explained and justified on budget documents submitted to the office of budget and program planning.

If the department is required to adjust personal services expenditure costs between state and federal accounts, the approving authority shall adjust the state special revenue appropriation and the federal appropriation by like amounts. All transfers between fund types must be fully explained and justified on budget documents submitted to the office of budget and program planning.

The department shall prepare a biennial report of the expenditure of funds under the nongame wildlife checkoff, which must be made available to the environmental quality council, prior to each regular legislative session.

If Senate Bill No. 130 is not passed and approved, item 1 is increased by \$16,513 of state special revenue money in fiscal year 2004 and by \$16,513 of state special revenue money in fiscal year 2005.

If Senate Bill No. 130 is not passed and approved, item 2 is decreased by \$490,104 of state special revenue money in fiscal year 2004 and by \$980,207 of state special revenue money in fiscal year 2005.

If omnibus federal funding for the purpose of building the warm water fish hatchery at Fort Peck is not passed and approved, item 3 is decreased by \$100,000 of state special revenue money in fiscal year 2004 and by \$200,000 of state special revenue money in fiscal year 2005.

If federal money becomes available for the wildlife chronic wasting disease management plan, the approving authority shall adjust the state special revenue appropriation and the federal appropriation by like amounts. All transfers between fund types must be fully explained and justified on budget documents submitted to the office of budget and program planning.

If Senate Bill No. 287 is not passed and approved, item 8 is decreased by \$72,169 of state special revenue money in fiscal year 2004 and by \$72,053 of state special revenue money in fiscal year 2005.

If Senate Bill No. 233 is not passed and approved, item 1 is decreased by \$150,000 of state special revenue money in fiscal year 2004.

Item 2 includes a reduction in general fund money of \$31,605 in fiscal year 2004 and \$31,614 in fiscal year 2005. This reduction is the equivalent of 1% of all general fund appropriations each year. The department may reallocate this reduction in funding among divisions when developing 2005 biennium operating plans.

If legislation to extend universal system benefits charge benefits is not passed and approved, item 2b is decreased by \$200,000 of state special revenue money in fiscal year 2004.

The department is authorized to decrease federal special revenue money in the water pollution control and the drinking water revolving fund loan programs and to increase state special revenue money by a like amount within the special administration account when:

- (1) the amount of federal capitalization funds has been expended; or
- (2) federal funds and bond proceeds are designated for use for other program purposes.

All federal funds are biennial appropriations.

All revenue received in the state traffic education account for distribution to schools under the provisions of 20-7-506 and 61-5-121 is appropriated as provided in Title 20, chapter 7, part 5. This appropriation may not exceed \$1 million a year.

Item 2a includes a reduction in general fund money of \$5,176,769 in fiscal year 2004 and \$5,105,002 in fiscal year 2005. This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The agency may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

The office of public instruction may distribute funds from the appropriation in item 2e to public school districts for the purpose of providing for educational costs of children with significant behavioral or physical needs.

If Senate Bill No. 323 is passed and approved in a form that permanently eliminates county retirement benefits for all federally salaried employees employed by school districts, excluding federally salaried employees whose salaries are paid from district school food funds, then the 1% across-the-board reduction for the office of public instruction is reduced each year of the biennium by \$3.5 million in general fund money.

Item 1 includes a reduction in general fund money of \$17,514 in fiscal year 2004 and \$17,373 in fiscal year 2005. The agency may reallocate this reduction in funding among programs when developing 2005 biennium operating plans.

It is the intent of the legislature that the department of commerce use lodging facility use taxes to fund \$617,008 in fiscal year 2004 and \$621,017 in fiscal year 2005 for the Montana historical society. This is to be expended as follows:

|  |           |           |

| Historical Interpretation                  | \$196,857 | \$193,627 |

University system unit is defined in 17-7-102(13). For all university system units, except the office of the commissioner of higher education, all funds (other than plant funds appropriated in House Bill No. 5, relating to long-range building and current unrestricted operating funds) are appropriated contingent upon approval of the comprehensive program budget by the board of regents by October 1 of each year. The board of regents shall allocate the appropriations to the individual units according to board policy. The budget must contain detailed revenue and expenditure information and anticipated fund balances of current funds, loan funds, endowment funds, and plant funds. After the board of regents approves operating budgets, transfers between units may be made only with the approval of the board. Transfers and related justifications must be submitted to the office of budget and program planning and to the legislative fiscal analyst.

Items 1 through 3, 5 through 7a, 9, and 10 are a single biennial lump-sum appropriation.

All university system units, except the office of the commissioner of higher education, shall account for expenditures

consistently within programs and funds across all units and shall use the standards of accounting and reporting, as described by the national association of college and university business officers, as a minimum for achieving consistency.

The Montana university system, except the office of the commissioner of higher education and the community colleges, shall provide the office of budget and program planning and the legislative fiscal division banner access to the entire university system's banner information system, except for information pertaining to individual students or individual employees that is protected by Article II, sections 9 and 10, of the Montana constitution, 20-25-515, or the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g. The Montana university system shall provide the electronic data required for human resource data for the current unrestricted operating funds into the MBARS system. The salary and benefit data provided must reflect approved board of regents operating budgets.

Total audit costs of the office of the commissioner of higher education are estimated to be \$38,381.

The budget amount for each full-time equivalent student at the community colleges, including Summitnet, is \$5,706 each year of the 2005 biennium, before pay plan, if any. The general fund appropriation in item 4 provides 43% of the budget amount for each full-time equivalent student each year of the 2005 biennium. The remaining 57% of the budget amount for each full-time equivalent student must be paid from funds other than those appropriated in items 4 and 4a.

Total Summitnet costs are estimated to be \$25,000 each year for the community colleges. Summitnet costs for each year may not exceed \$8,000 each for Dawson and Miles community colleges and \$9,000 for Flathead Valley community college.

Total audit costs are estimated to be \$54,000 for the community colleges for the biennium. The general fund appropriation for each community college provides 53% of the total audit costs in the 2005 biennium. The remaining 47% of these costs must be paid from funds other than those appropriated in item 4a. Audit costs for the biennium may not exceed \$16,000 each for Dawson and Miles community colleges and \$22,000 for Flathead Valley community college.

Revenue anticipated to be received by the Montana university system units and colleges of technology includes:

- (1) interest earnings of \$1,460,000 each year of the 2005 biennium; and
- (2) other revenue of \$1,183,000 each year of the 2005 biennium.

These amounts are appropriated for current unrestricted operating expenses as a biennial lump-sum appropriation and are in addition to the funds shown in item 7.

The legislature acknowledges that tuition rates are determined by the board of regents and that tuition revenue is considered private revenue and therefore not subject to legislative appropriation.

Item 7 includes \$986,620 for the 2005 biennium that must be transferred to the energy conservation program account and used to retire the general obligation bonds sold to fund energy improvements through the state energy conservation program. The costs of this transfer in each year of the biennium are: university of Montana-Missoula, \$157,100 in fiscal year 2004 and \$135,100 in fiscal year 2005; Montana tech of the university of Montana, \$28,000; Montana state university-northern, \$87,800 in fiscal year 2004 and \$83,800 in fiscal year 2005; Montana state university-Bozeman \$58,000; Montana state university-Billings, \$161,500; and western Montana college of the university of Montana, \$12,410.

Item 7 includes a total of \$44,253 of general fund money for the 2005 biennium for the Montana natural resource information system (NRIS). The Montana university system shall pay an additional \$44,253 for the 2005 biennium in current funds in support of NRIS. Quarterly payments must be made upon receipt of the bills from the state library, up to the total amount appropriated.

Item 7 includes a reduction in general fund money of \$1,337,499 in fiscal year 2004 and \$1,338,813 in fiscal year 2005. This reduction is the equivalent of a 1% reduction in 2005 biennium general fund money as recommended by the joint appropriations subcommittee. The board of regents may reallocate this reduction in funding among university system units, as defined in 17-7-102(13), when developing 2005 biennium operating plans.

Total audit costs are estimated to be \$473,188 for the university system, other than the office of the commissioner of higher education. Each unit shall pay a percentage of these costs from funds other than those appropriated in item 7a.

- (1) interest earnings and other revenue of \$184,472 each year of the 2005 biennium;
- (2) federal revenue of \$2,022,075 in fiscal year 2004 and \$2,022,078 in fiscal year 2005; and
- (3) sales revenue of \$939,881 in fiscal year 2004 and \$939,881 in fiscal year 2005.

These amounts are appropriated for current unrestricted operating expenses and are in addition to the funds shown in item 7b.

The general fund money in item 7c is appropriated with the condition that, prior to the expenditure of the general fund money, the Montana agricultural experiment station collect \$140,000 of nonstate money each year of the 2005 biennium for the purpose of supporting the institute for biobased products and food science.

**MONTANA UNIVERSITY SYSTEM - 5100**

Because certain employee benefit plans require a large number of individual premiums for a variety of benefit options, because the portion of these premiums paid by the state is statutorily established in 2-18-703, and because the employee-paid portion of these premiums must be adjusted from time to time to maintain employee group benefit plans on an actuarially sound basis, the legislature defines rates and fees for Montana university system employee benefit programs to mean the state contribution toward employee group benefits provided for in 2-18-703 and the employee contribution toward employee group benefits necessary to maintain the employee group benefit plans on an actuarially sound basis.

**"19-20-804. Allowance for service retirement.** (1) Upon termination, a member who has attained normal retirement age must receive a retirement allowance equal to one-sixtieth of the member's average final compensation, as limited by 19-20-715, multiplied by the sum of the number of years of creditable service and service transferred under 19-20-409.

(2) Except as provided in subsection (4), a retired member may be employed part-time in a position specified in 19-20-302 and may earn, without loss of retirement benefits, an amount not to exceed the greater of:

(a) one-third of the sum of the member's average final compensation; or

(b) one-third of the median of the average final compensation for members retired during the preceding fiscal year as determined by the retirement board.

(3) On July 1 of each year following the member's retirement effective date, the maximum earning amount allowed under subsection (2)(a) is increased by an amount equal to the consumer price index increase for urban wage earners compiled by the bureau of labor statistics of the United States department of labor or its successor agency in the preceding year.

(4) (a) Except as provided in subsection (5), the retirement benefit of a retired member employed in a full-time position or earning more than allowed by subsection (2) must be canceled beginning in the month in which the retired member returns to full-time employment or earns more than allowed.

(b) The retirement benefits of a retired member who was employed in a full-time position or who exceeded the amount that the retired member was eligible to earn under subsection (2) and who was reemployed for less than 1 year must, upon termination of employment, be reinstated beginning in the later of either the month following termination or July 1 of the school year following the date on which the retired member was reemployed. The reinstated retirement benefit is the amount that the retired member would have been entitled to receive had the retired member not returned to employment.

(c) Upon retirement after cancellation of a retired member's benefit pursuant to subsection (4)(a), a retired member who is reemployed as an active member for a minimum of 1 year of full-time service must receive a recalculated benefit. The recalculated benefit is based on the service credit accumulated at the time of the member's previous retirement plus any service credit accumulated subsequent to reemployment.

(d) A retired member elected to the office of county superintendent or appointed to complete the term of an elected county superintendent and who elects, pursuant to 19-20-302(2), to not become an active member is exempt from the employment and earnings limits specified in subsection (2).

(5) If an early-retired member under 19-20-802 is reemployed with the same employer within 30 days from the member's effective date of retirement or if the early-retired member is guaranteed reemployment with the same employer, the member must be considered to have continued in the status of an active member and not to have separated from service. Any retirement allowance payments received by the member must be repaid to the system, together with interest, at the actuarially assumed rate, and the retirement allowance must be terminated.""

The retirement system membership of an elected county superintendent of schools as of June 30, 1995, must remain unchanged for as long as the person continues to serve in the capacity of county superintendent of schools.

(d) A person employed as a part-time teacher's aide on July 1, 2001, who is not a member of the retirement system shall file an irrevocable written election as required by subsection (4)(a)(i) on the first day of employment as a part-time teacher's aide after July 1, 2001.

**Insert: "Section 4.** Section 19-20-804, MCA, is amended to read:

**"19-20-804. Allowance for service retirement.** (1) Upon termination, a member who has attained normal retirement age must receive a retirement allowance equal to one-sixtieth of the member's average final compensation, as limited by 19-20-715, multiplied by the sum of the number of years of creditable service and service transferred under 19-20-409.

(2) Except as provided in subsection (4), a retired member may be employed part-time in a position specified in 19-20-302 and may earn, without loss of retirement benefits, an amount not to exceed the greater of:

(a) one-third of the sum of the member's average final compensation; or

(b) one-third of the median of the average final compensation for members retired during the preceding fiscal year as determined by the retirement board.

(3) On July 1 of each year following the member's retirement effective date, the maximum earning amount allowed under subsection (2)(a) is increased by an amount equal to the consumer price index increase for urban wage earners compiled by the bureau of labor statistics of the United States department of labor or its successor agency in the preceding year.

(4) (a) Except as provided in subsection (5), the retirement benefit of a retired member employed in a full-time position or earning more than allowed by subsection (2) must be canceled beginning in the month in which the retired member returns to full-time employment or earns more than allowed.

(b) The retirement benefits of a retired member who was employed in a full-time position or who exceeded the amount that the retired member was eligible to earn under subsection (2) and who was reemployed for less than 1 year must, upon termination of employment, be reinstated beginning in the later of either the month following termination or July 1 of the school year following the date on which the retired member was reemployed. The reinstated retirement benefit is the amount that the retired member would have been entitled to receive had the retired member not returned to employment.

(c) Upon retirement after cancellation of a retired member's benefit pursuant to subsection (4)(a), a retired member who is reemployed as an active member for a minimum of 1 year of full-time service must receive a recalculated benefit. The recalculated benefit is based on the service credit accumulated at the time of the member's previous retirement plus any service credit accumulated subsequent to reemployment.

(d) A retired member elected to the office of county superintendent or appointed to complete the term of an elected county superintendent and who elects, pursuant to 19-20-302(2), to not become an active member is exempt from the employment and earnings limits specified in subsection (2).

(5) If an early-retired member under 19-20-802 is reemployed with the same employer within 30 days from the member's effective date of retirement or if the early-retired member is guaranteed reemployment with the same employer, the member must be considered to have continued in the status of an active member and not to have separated from service. Any retirement allowance payments received by the member must be repaid to the system, together with interest, at the actuarially assumed rate, and the retirement allowance must be terminated.""

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 87, "**AN ACT PROHIBITING THE USE OF A PUNCHCARD VOTING SYSTEM IN AN ELECTION AFTER DECEMBER 31, 2003; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

House Bill No. 87 to provide a contingent effective date. I recommend that House Bill No. 87 be amended as follows: This act is effective on receipt of federal funds that may be used to reimburse counties currently using punchcard voting systems. And, the Secretary of State shall notify the code commissioner of the date of receipt of the federal funds. Until such time that the money is received, House Bill No. 87 should be on hold.

I have enclosed my amendment to that effect. Please be advised that Representative Jent, the sponsor of the bill, has been informed of my recommendation and has no objection.

Dear Speaker Mood and President Keenan:

HOUSE JOURNAL  
FIFTY-EIGHTH LEGISLATIVE DAY - MARCH 19, 2003

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 408, "**AN ACT REQUIRING THE PAYMENT OF LOCAL REGISTRAR FEES TO A COUNTY DEPARTMENT IF THE LOCAL REGISTRAR IS A COUNTY EMPLOYEE; AMENDING SECTION 50-15-107, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

I recommend that House Bill No. 408 should be amended to change the word "department" in Section 1, 50-15-107(3)(b) to "county office." Currently, there is a definitional section in this part of the Code, 50-15-101(4), MCA, that defines "department" as the department of public health and human services." I trust that is not the intent of House Bill No. 408.

I have enclosed my amendment to that effect. Please be advised that Representative Peterson, the sponsor of the bill, has been informed of my recommendation and has no objection.

Sincerely,

**"15-31-114. Deductions allowed in computing income.** (1) In computing the net income, the following deductions are allowed from the gross income received by the corporation within the year from all sources:

(a) all the ordinary and necessary expenses paid or incurred during the taxable year in the maintenance and operation of its business and properties, including reasonable allowance for salaries for personal services actually rendered, subject to the limitation contained in this section, and rentals or other payments required to be made as a condition to the continued use or possession of property to which the corporation has not taken or is not taking title or in which it has no equity. A deduction is not allowed for salaries paid upon which the recipient has not paid Montana state income tax. However, when domestic corporations are taxed on income derived from outside the state, salaries of officers paid in connection with securing the income are deductible.

(b) (i) all losses actually sustained and charged off within the year and not compensated by insurance or otherwise, including a reasonable allowance for the wear and tear and obsolescence of property used in the trade or business. The allowance is determined according to the provisions of section 167 of the Internal Revenue Code in effect with respect to the taxable year. All elections for depreciation must be the same as the elections made for federal income tax purposes. A deduction is not allowed for any amount paid out for any buildings, permanent improvements, or

The reasonable allowance must be determined according to the provisions of the Internal Revenue Code in effect for the taxable year. All elections made under the Internal Revenue Code with respect to capitalizing or expensing exploration and development costs and intangible drilling expenses for corporation license tax purposes must be the same as the elections made for federal income tax purposes.

(d) the amount of interest paid within the year on its indebtedness incurred in the operation of the business from which its income is derived. Interest may not be allowed as a deduction if paid on an indebtedness created for the purchase, maintenance, or improvement of property or for the conduct of business unless the income from the property or business would be taxable under this part.

(A) taxes imposed by this part;

(B) taxes assessed against local benefits of a kind tending to increase the value of the property assessed;

(C) taxes on or according to or measured by net income or profits imposed by authority of the government of the United States;

(ii) The public service commission may not allow in the rate base of a regulated corporation the inclusion of contributions made under this subsection.

(iii) A deduction is not allowed for a charitable contribution using a charitable gift annuity unless the annuity is a qualified charitable gift annuity as defined in [section 1].

(h) per capita livestock fees imposed pursuant to 15-24-921, 15-24-922, 81-6-104, 81-6-204, 81-6-209, 81-7-118, or 81-7-201.

(2) In lieu of the deduction allowed under subsection (1)(g), the taxpayer may deduct the fair market value, not to exceed 30% of the taxpayer's net income, of a computer or other sophisticated technological equipment or apparatus intended for use with the computer donated to an elementary, secondary, or accredited postsecondary school located in Montana if:

(a) the contribution is made no later than 5 years after the manufacture of the donated property is substantially completed;

(b) the property is not transferred by the donee in exchange for money, other property, or services; and

(c) the taxpayer receives a written statement from the donee in which the donee agrees to accept the property and representing that the use and disposition of the property will be in accordance with the provisions of subsection (2)(b).

For the purposes of computing the deduction for dividends paid, the provisions of sections 852(b)(7) and 855 of the Internal Revenue Code of 1986, as those sections may be amended or renumbered, apply. A regulated investment company is not allowed a deduction for dividends received as defined in sections 243 through 245 of the Internal Revenue Code of 1986, as those sections may be amended or renumbered."

**"15-1-101. Definitions.** (1) Except as otherwise specifically provided, when terms mentioned in this section are used in connection with taxation, they are defined in the following manner:

(a) The term "agricultural" refers to:

(i) the production of food, feed, and fiber commodities, livestock and poultry, bees, biological control insects,

HOUSE JOURNAL  
FIFTY-NINTH LEGISLATIVE DAY - MARCH 20, 2003

fruits and vegetables, and sod, ornamental, nursery, and horticultural crops that are raised, grown, or produced for commercial purposes; and

(ii) the raising of domestic animals and wildlife in domestication or a captive environment.

(b) The term "assessed value" means the value of property as defined in 15-8-111.

(c) The term "average wholesale value" means the value to a dealer prior to reconditioning and the profit margin shown in national appraisal guides and manuals or the valuation schedules of the department.

(d) (i) The term "commercial", when used to describe property, means property used or owned by a business, a trade, or a corporation as defined in 35-2-114 or used for the production of income, except property described in subsection (1)(d)(ii).

(ii) The following types of property are not commercial:

(A) agricultural lands;

(B) timberlands and forest lands;

(C) single-family residences and ancillary improvements and improvements necessary to the function of a bona fide farm, ranch, or stock operation;

(D) mobile homes and manufactured homes used exclusively as a residence except when held by a distributor or dealer as stock in trade; and

(E) all property described in 15-6-135.

(e) The term "comparable property" means property that:

(i) has similar use, function, and utility;

(ii) is influenced by the same set of economic trends and physical, governmental, and social factors; and

(iii) has the potential of a similar highest and best use.

(f) The term "credit" means solvent debts, secured or unsecured, owing to a person.

(g) (i) "Department", except as provided in subsection (1)(g)(ii), means the department of revenue provided for in 2-15-1301.

(ii) In chapters 70 and 71, department means the department of transportation provided for in 2-15-2501.

(h) The terms "gas" and "natural gas" are synonymous and mean gas as defined in 82-1-111(2). The terms include all natural gases and all other fluid hydrocarbons, including methane gas or any other natural gas found in any coal formation.

(i) The term "improvements" includes all buildings, structures, fences, and improvements situated upon, erected upon, or affixed to land. When the department determines that the permanency of location of a mobile home, manufactured home, or housetrailer has been established, the mobile home, manufactured home, or housetrailer is presumed to be an improvement to real property. A mobile home, manufactured home, or housetrailer may be determined to be permanently located only when it is attached to a foundation that cannot feasibly be relocated and only when the wheels are removed.

(j) The term "leasehold improvements" means improvements to mobile homes and mobile homes located on land owned by another person. This property is assessed under the appropriate classification, and the taxes are due and payable in two payments as provided in 15-24-202. Delinquent taxes on leasehold improvements are a lien only on the leasehold improvements.

(k) The term "livestock" means cattle, sheep, swine, goats, horses, mules, asses, llamas, alpacas, bison, ostriches, rheas, emus, and domestic ungulates.

(l) The term "manufactured home" means a residential dwelling built in a factory in accordance with the United States department of housing and urban development code and the federal Manufactured Home Construction and Safety Standards. A manufactured home does not include a mobile home, as defined in 61-1-501 and in subsection (1)(m) of this section, a housetrailer, as defined in 61-1-501, or a mobile home or housetrailer constructed before the federal Manufactured Home Construction and Safety Standards went into effect on June 15, 1976.

(m) The term "mobile home" means forms of housing known as "trailers", "housetrainers", or "trailer coaches" exceeding 8 feet in width or 45 feet in length, designed to be moved from one place to another by an independent power connected to them, or any trailer, housetrailer, or trailer coach up to 8 feet in width or 45 feet in length used as a principal residence.

HOUSE JOURNAL  
FIFTY-NINTH LEGISLATIVE DAY - MARCH 20, 2003

(n) The term "personal property" includes everything that is the subject of ownership but that is not included within the meaning of the terms "real estate" and "improvements" and "intangible personal property" as that term is defined in 15-6-218.

(o) The term "poultry" includes all chickens, turkeys, geese, ducks, and other birds raised in domestication to produce food or feathers.

(p) The term "property" includes money, credits, bonds, stocks, franchises, and all other matters and things, real, personal, and mixed, capable of private ownership. This definition may not be construed to authorize the taxation of the stocks of a company or corporation when the property of the company or corporation represented by the stocks is within the state and has been taxed.

(q) The term "real estate" includes:

(i) the possession of, claim to, ownership of, or right to the possession of land;

(ii) all mines, minerals, and quarries in and under the land subject to the provisions of 15-23-501 and Title 15, chapter 23, part 8;

(iii) all timber belonging to individuals or corporations growing or being on the lands of the United States; and

(iv) all rights and privileges appertaining to mines, minerals, quarries, and timber.

(r) "Recreational" means hunting, fishing, swimming, boating, waterskiing, camping, biking, hiking, and winter sports, including but not limited to skiing, skating, and snowmobiling.

(s) "Research and development firm" means an entity incorporated under the laws of this state or a foreign corporation authorized to do business in this state whose principal purpose is to engage in theoretical analysis, exploration, and experimentation and the extension of investigative findings and theories of a scientific and technical nature into practical application for experimental and demonstration purposes, including the experimental production and testing of models, devices, equipment, materials, and processes.

(t) The term "stock in trade" means any mobile home, manufactured home, or housetrailer that is listed by the dealer as inventory and that is offered for sale, is unoccupied, and is not located on a permanent foundation. Inventory does not have to be located at the business location of a dealer or a distributor.

(u) The term "taxable value" means the percentage of market or assessed value as provided for in Title 15, chapter 6, part 1.

(2) The phrase "municipal corporation" or "municipality" or "taxing unit" includes a county, city, incorporated town, township, school district, irrigation district, or drainage district or a person, persons, or organized body authorized by law to establish tax levies for the purpose of raising public revenue.

**Insert:** "The proprietary fund appropriation in item 11 is contingent upon passage and approval of a bill to amend distribution of net lottery proceeds to provide for inclusion of expenditures unrelated to lottery operations."

Explanation: This amendment moves \$200,000 of proprietary authority annually from lottery appropriations and offsets a like amount of state special revenue appropriations from the Prevention and Stabilization Fund for provider rate increases for Medicaid community service providers in the Senior and Long Term Care Division. Federal matching funds are transferred from the line item for the Prevention and Stabilization Fund to the main division appropriation. The appropriation of lottery proprietary funds is contingent on passage and approval of a bill to amend statute to allow net lottery proceeds to be calculated to include expenditures from lottery proceeds that are unrelated to lottery operations.

**Insert:** "Item 2b includes federal special revenue funds linked to a transfer of federal highway construction funds to highway safety funds because of Montana not meeting the federal requirements for an open container law. It is the intent of the legislature that the funds in item 2b are to be used by the state highway traffic safety program to provide grants to local governments to fund misdemeanor probation officers as allowed by 23 U.S.C. 402(b)(1)(B) and (b)(1)(C). Grants awarded to local governments with funds in item 2b are contingent upon local governments submitting grant applications that meet national highway traffic safety administration requirements for use of highway safety funds and fulfilling all reporting and documentation requirements established by the department. Funds in item 2b may be used only to fund new misdemeanor probation officers and may not be used to supplant existing misdemeanor probation functions. If Senate Bill No. 39 is passed and approved, item 2b is void and federal special revenue funds in item 2 are increased by \$1,427,265 in fiscal year 2004 and by \$1,484,345 in fiscal year 2005."

**SPECIAL ORDERS OF THE DAY**

The Speaker read the following statement from the Honorable U.S. Senator Max Baucus:

I deeply regret that I have to announce I will not be able to address a joint session of the Montana Legislature today.

I have to stay in Washington for two reasons: to show support in the Senate for our troops in Iraq, and to take part in key budget votes that deal with boosting our economy, providing prescription drugs to Montana seniors, protecting Social Security and Medicare, and important funding for education, highways, and homeland security.

Now that our country is at war, it is time to stand united behind our troops, who are fighting for the safety and security of America and to protect the world from terrorism. We all should pray for their safe return.

Again, I deeply regret that I will not be with you, and I deeply appreciate your invitation. I wish you well in your deliberations and in doing what's right for Montana.

The legislature, pursuant to 90-6-710, approves the grants listed in subsection (3), in the order indicated in the list of projects. The department shall award funds up to the amounts approved in this section in order of priority until available funds are expended. The department shall provide funds not accepted or used by local governments with higher-ranked projects to local governments whose projects are in lower positions on the priority list and that would not otherwise receive funding. When additional funds become available for the grants listed in subsection (3), they must be awarded to projects in the order of the projects' priority when the lower-ranked projects meet the startup conditions of the department's grant agreement and are ready to proceed to construction.

March 20, 2003

The Honorable Doug Mood  
Speaker of the House  
State Capitol  
Helena, Montana 59620

The Honorable Bob Keenan  
President of the Senate  
State Capitol  
Helena, Montana 59620

Dear Speaker Mood and President Keenan:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 94, "**AN ACT REVISING AND CLARIFYING THE PUBLIC PARTICIPATION AND NOTICE REQUIREMENTS FOR OPEN MEETINGS; PROVIDING THAT AN AGENDA FOR AN OPEN MEETING MUST INCLUDE AN ITEM ALLOWING PUBLIC COMMENT ON ANY PUBLIC MATTER WITHIN THE JURISDICTION OF THE AGENCY CONDUCTING THE MEETING; CLARIFYING THAT AN AGENCY MAY NOT TAKE ACTION ON ANY MATTER DISCUSSED UNLESS SPECIFIC NOTICE OF THAT MATTER IS INCLUDED ON AN AGENDA AND PUBLIC COMMENT HAS BEEN ALLOWED; CLARIFYING THAT THE GOVERNOR'S DUTY TO ENSURE THAT AGENCIES HAVE POLICIES AND PROCEDURES TO FACILITATE PUBLIC PARTICIPATION APPLIES TO THE EXECUTIVE BRANCH OF STATE GOVERNMENT; AMENDING SECTION 2-3-103, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

As passed, House Bill No. 94 requires that public bodies of state and local government include on the agenda of a "meeting," as defined in the open meeting law, an item allowing public comment on any public matter that is within the jurisdiction of the body. The bill also prohibits a public body from taking action on any matter unless it has accepted public comment.

HOUSE JOURNAL  
SIXTIETH LEGISLATIVE DAY - MARCH 21, 2003

One of the main functions of many public bodies of state government is to decide contested case matters. HB 94 would require these state government boards and commissions to allow the public to comment on contested case matters. This is inconsistent with the Montana Administrative Procedure Act, which provides that the decision on a contested case must be based on the record. The record must be developed in an adversarial adjudicative process similar to court procedures. Public comment on contested cases, and other adjudicative proceedings, is therefore inappropriate.

Also, House Bill No. 94 may allow two opportunities for comment on the same matter at the same public meeting. This could occur when the agenda for the meeting contains an item inviting public comment on a matter. House Bill No. 94 may require the public body to accept public comment under that item and again during the "open mike" period that the bill requires. This second comment opportunity would unnecessarily lengthen meetings for the public-spirited Montanans who serve on our state and local government boards and commissions.

The amendments I am proposing would eliminate duplicative comment periods during a meeting and exempt contested case and other adjudicative proceedings from the public comment requirement. Representative Lawson has been contacted and agrees with these amendments.

Sincerely,

JUDY MARTZ  
Governor

HOUSE JOURNAL  
SIXTY-THIRD LEGISLATIVE DAY - MARCH 25, 2003

(o) deposits, not exceeding the amount set forth in 15-30-603, deposited in a Montana farm and ranch risk management account, as provided in 15-30-601 through 15-30-605, in any tax year for which a deduction is not provided for federal income tax purposes; ~~and~~

(p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.

(q) 50% of the total net capital gain determined for federal income tax purposes under 26 U.S.C. 1(h).

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code ~~of 1954, 26 U.S.C. 38 and 51(a), as those sections may be labeled or amended;~~ is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion ~~and before application of the two-earner married couple deduction~~ exceeds \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion.

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income. (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)

**15-30-111. (Effective on occurrence of contingency) Adjusted gross income.** (1) Adjusted gross income is the taxpayer's federal ~~income tax~~ adjusted gross income as defined in section 62 of the Internal Revenue Code ~~of 1954, 26 U.S.C. 62, as that section may be labeled or amended;~~ and in addition includes the following:

**Insert: "NEW SECTION. Section 67. Reimbursements to taxing jurisdictions -- adjustments to debt limits.** (1) (a) The department shall determine the amount of property tax revenue lost by each local government taxing jurisdiction as the result of the reduced tax rate applied to land described in 15-6-133(1)(a) and to property described in 15-6-134(1)(e) through (1)(h) and as the result of the class three agricultural land property tax exemption provided for in 15-6-201(1)(cc) and the class four property tax exemptions provided for in 15-6-201(1)(z), (1)(aa), and (1)(bb). The determination must be made by July 15, 2005, for fiscal year 2006. The department shall use fiscal year 2005 as the base for the determination of changes of property tax revenue.

(b) The department shall determine the amount of revenue due each local government taxing jurisdiction for fiscal year 2005 from the property tax imposed on class three agricultural land described in 15-6-133(1)(a) and on class four property described in 15-6-134(1)(e) through (1)(h).

(2) The department shall then calculate for each local government taxing jurisdiction for fiscal year 2005, using fiscal year 2005 mill levies, the amount of revenue that would have been due from the property tax imposed on class three property and class four property if the reduced tax rate in 15-6-134(2)(a) and the exemption amounts in 15-6-201(1)(z) and (1)(aa) through (1)(cc) had been in effect for fiscal year 2005.

(3) (a) Each local government taxing jurisdiction that lost property tax revenue in fiscal year 2005, based on the difference between the calculation in subsections (1)(b) and (2), must receive the total amount of the difference in fiscal year 2006 and each succeeding fiscal year.

(b) Payments must be made in two similar installments for each fiscal year by November 30 and May 31. Each local government taxing jurisdiction shall distribute the revenue received among its funds and districts according to current year mill levies.

(4) (a) Except as provided in subsection (5), the amount of loss determined in subsection (3) for each local government taxing jurisdiction is converted to assessed value of taxable property by dividing the amount of the loss by the applicable mill levy and then by dividing that amount by the applicable property tax rate. The amount must be added to the local government taxing jurisdiction's taxable assessed value to determine its bonding debt limit.

HOUSE JOURNAL  
SIXTY-EIGHTH LEGISLATIVE DAY - MARCH 31, 2003

(b) The amount determined under subsection (4)(a) must be added to the assessed value of taxable property of a local government taxing jurisdiction to determine its bonding debt limits.

(5) The amount of loss calculated for each elementary and high school district in subsection (3) is converted to taxable value by dividing the loss by the applicable mill levy. That amount must be added to the school district's taxable value to determine its bonding debt limit under 20-9-406.

(6) (a) For the purposes of this section, "local government taxing jurisdiction" means a local government rather than a state taxing jurisdiction that levied mills against property described in 15-6-133(1)(a) and 15-6-134(1)(e) through (1)(h), including county governments, incorporated city and town governments, consolidated city-county governments, tax increment financing districts, local elementary and high school districts, local community college districts, miscellaneous districts, and special districts.

(b) Tax levies by local government taxing jurisdiction include countywide mills levied for equalization of school retirement or transportation.

(c) Tax levies by a local government taxing jurisdiction do not include county or state school equalization levies provided for in 20-9-331, 20-9-333, and 20-9-360, the Montana university levy under 20-25-423, or the vocational-technical education levy under 20-25-439.

(d) Each tax increment financing district must receive the benefit of the state mill levy on the incremental taxable value of the district.

(7) A local government taxing jurisdiction that ceases to exist after December 31, 2004, will no longer be considered for revenue loss or reimbursement purposes. A local government taxing jurisdiction that is created after January 1, 2006, will not be considered for revenue loss or reimbursement purposes. If a local government taxing jurisdiction that existed prior to January 1, 2006, is split between two or more taxing jurisdictions or is annexed to or is consolidated with another taxing jurisdiction, the department shall determine how much of the revenue loss and reimbursement is attributed to the new jurisdictions.

(8) The amounts necessary for reimbursing local government taxing jurisdictions, as provided in this section, are statutorily appropriated, as provided in 17-7-502, from the general fund to reimburse each local government taxing jurisdiction."

**"15-7-102. Notice of classification and appraisal to owners -- appeals.** (1) (a) Except as provided in 15-7-138, the department shall mail to each owner or purchaser under contract for deed a notice of the classification of the land owned or being purchased and the appraisal of the improvements on the land only if one or more of the following changes pertaining to the land or improvements have been made since the last notice:

- (i) change in ownership;
- (ii) change in classification;
- (iii) ~~except as provided in subsection (1)(b);~~ change in valuation; or
- (iv) addition or subtraction of personal property affixed to the land.

~~(b) After the first year, the department is not required to mail the notice provided for in subsection (1)(a)(iii) if the change in valuation is the result of an annual incremental change in valuation caused by the phasing in of a reappraisal under 15-7-111 or the application of the exemption under 15-6-201 or caused by an incremental change in the tax rate.~~

~~(c)(b)~~ The notice must include the following for the taxpayer's informational purposes:

- (i) the total amount of mills levied against the property in the prior year; and
- (ii) a statement that the notice is not a tax bill.

~~(d)(c)~~ Any misinformation provided in the information required by subsection ~~(1)(c)~~ (1)(b) does not affect the validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

(2) (a) Except as provided in subsection (2)(c), the department shall assign each assessment to the correct owner or purchaser under contract for deed and mail the notice of classification and appraisal on a standardized form, adopted by the department, containing sufficient information in a comprehensible manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of changes over the prior tax year.

(b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in 15-1-402.

(c) The department is not required to mail the notice of classification and appraisal to a new owner or purchaser under contract for deed unless the department has received the transfer certificate from the clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by subsection (2)(a) are mailed. The department shall notify the county tax appeal board of the date of the mailing.

(3) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the market value of the property as determined by the department or with the classification of the land or improvements, the owner may request an assessment review by submitting an objection in writing to the department, on forms provided by the department for that purpose, within 30 days after receiving the notice of classification and appraisal from the department. The review must be conducted informally and is not subject to the contested case procedures of the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer in support of the taxpayer's opinion as to the market value of the property. The department shall give reasonable notice to the taxpayer of the time and place of the review. After the review, the department shall determine the correct appraisal and classification of the land or improvements and notify the taxpayer of its determination. In the notification, the department shall state its reasons for revising the classification or appraisal. When the proper appraisal and classification have been determined, the land must be classified and the improvements appraised in the manner ordered by the department.

(4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an appraisal or classification upon the taxpayer's objection unless:

- (a) the taxpayer has submitted an objection in writing; and
- (b) the department has stated its reason in writing for making the adjustment.

(5) A taxpayer's written objection to a classification or appraisal and the department's notification to the taxpayer of its determination and the reason for that determination are public records. The department shall make the records available for inspection during regular office hours.

(6) If any property owner feels aggrieved by the classification or appraisal made by the department after the review provided for in subsection (3), the property owner has the right to first appeal to the county tax appeal board and

HOUSE JOURNAL

then to the state tax appeal board, whose findings are final subject to the right of review in the courts. The appeal to the county tax appeal board must be filed within 30 days after notice of the department's determination is mailed to the taxpayer. A county tax appeal board or the state tax appeal board may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax appeal board or the state tax appeal board determines that an adjustment should be made, the department shall adjust the base value of the property in accordance with the board's order."

**"15-7-111. Periodic revaluation of certain taxable property.** (1) The department shall administer and supervise a program for the revaluation of all taxable property within classes three, four, and ten. All other property must be revalued annually. ~~The revaluation of class three, four, and ten property is complete on December 31, 1996. The amount of the change in valuation from the 1996 base year for each property in classes three, four, and ten must be phased in each year at the rate of 25% of the change in valuation from December 31, 1998, to the appropriate percentage of taxable market value for each class.~~

(2) The department shall value ~~and phase in the value of~~ newly constructed, remodeled, or reclassified property in a manner consistent with the valuation within the same class ~~and the values established pursuant to subsection (1).~~ The department shall adopt rules for determining the assessed valuation ~~and phased-in value of~~ new, remodeled, or reclassified property within the same class.

(3) ~~Beginning January 1, 2001, the~~ The department of revenue shall administer and supervise a program for the revaluation of all taxable property within classes three, four, and ten. A comprehensive written reappraisal plan must be promulgated by the department. The reappraisal plan adopted must provide that all class three, four, and ten property in each county is revalued by January 1, 2003, and each succeeding 6 years. The resulting valuation changes ~~must be phased in are in effect~~ for each year until the next reappraisal. ~~If a percentage of change for each year is not established, then the percentage of phase in for each year is 16.66%. (2) (a) Market value is the value at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of relevant facts.

(b) If the department uses construction cost as one approximation of market value, the department shall fully consider reduction in value caused by depreciation, whether through physical depreciation, functional obsolescence, or economic obsolescence.

(c) If the department uses the capitalization of net income method as one approximation of market value and sufficient, relevant information on comparable sales and construction cost exists, the department shall rely upon the two methods that provide a similar market value as the better indicators of market value.

(d) Except as provided in subsection (3), the market value of special mobile equipment and agricultural tools, implements, and machinery is the average wholesale value shown in national appraisal guides and manuals or the value before reconditioning and profit margin. The department shall prepare valuation schedules showing the average wholesale value when a national appraisal guide does not exist.

(3) The department may not adopt a lower or different standard of value from market value in making the official assessment and appraisal of the value of property, except:

(a) the wholesale value for agricultural implements and machinery is the average wholesale value category as shown in Guides 2000, Northwest Region Official Guide, published by the North American equipment dealers association, St. Louis, Missouri. If the guide or the average wholesale value category is unavailable, the department shall use a comparable publication or wholesale value category.

(b) for agricultural implements and machinery not listed in an official guide, the department shall prepare a supplemental manual in which the values reflect the same depreciation as those found in the official guide; and

(c) as otherwise authorized in Titles 15 and 61.

(4) For purposes of taxation, assessed value is the same as appraised value.

(2) Upon application by a federally defined eligible individual or a TAA-eligible individual to the lead carrier for an association portability plan, the association may not:

(a) decline to offer an association portability plan; or

(b) except as provided in subsection (3), impose a preexisting condition exclusion with respect to an individual's association portability plan coverage if application for association portability plan coverage is made within 63 days following termination of the applicant's most recent prior creditable coverage.

(3) The association may impose a preexisting condition exclusion as provided in 33-22-1516 with respect to a TAA-eligible individual's association portability plan coverage if that individual does not meet the requirements defining a qualified TAA-eligible individual.

~~(3)~~(4) Not less than 88% of the association plan premiums paid to the lead carrier may be used to pay claims and not more than 12% may be used for payment of the lead carrier's direct and indirect expenses as specified in 33-22-1514.

~~(4)~~(5) Any income in excess of the costs incurred by the association in providing reinsurance or administrative services must be held at interest and used by the association to offset past and future losses because of claims expenses of the association plan and the association portability plan or be allocated to reduce association plan premiums.

~~(5)~~(6) (a) Each participating member of the association shall share the losses because of claims expenses of the association plan and the association portability plan for plans issued or approved for issuance by the association and shall share in the operating and administrative expenses incurred or estimated to be incurred by the association incident to the conduct of its affairs in the following manner:

(i) Each participating member of the association must be assessed by the association on an annual basis an amount not to exceed 1% of the association member's total disability insurance premium received from or on behalf of Montana residents as determined by the commissioner. Assessments made under this subsection ~~(5)(a)~~ (6)(a) or funds

HOUSE JOURNAL  
SIXTY-NINTH LEGISLATIVE DAY - APRIL 1, 2003

from any other source must be allocated to the association plan and the association portability plan in proportion to the needs of the two plans. If the needs of the association plan and the association portability plan exceed the funds generated by the 1% assessment, the association is then authorized to spend any funds appropriated by the legislature for the support of the plans. Any appropriation to the association may be expended for the operation of the association plan or the association portability plan.

(ii) (A) Payment of an assessment is due within 30 days of receipt by a member of a written notice of the annual assessment. After 30 days, the association shall charge a member:

(I) a late payment penalty of 1.5% a month or fraction of a month on the unpaid assessment, not to exceed 18% of the assessment due;

(II) interest at the rate of 12% a year on the unpaid assessment, to be accrued at 1% a month or fraction of a month; or

(III) both of the charges in subsections ~~(5)(a)(ii)(A)(I)~~ (6)(a)(ii)(A)(I) and ~~(5)(a)(ii)(A)(II)~~ (6)(a)(ii)(A)(II).

(B) Failure by a contributing member to tender the association assessment within the 30-day period is grounds for termination of membership. A member terminated for failure to tender the association assessment is ineligible to write health care benefit policies or contracts in this state under 33-22-1503(2).

(iii) An associate member that ceases to do disability insurance business within the state remains liable for assessments through the calendar year in which the member ceased doing disability insurance business. The association may decline to levy an assessment against an association member if the assessment, as determined pursuant to this section, would not exceed \$50.

(b) For purposes of this subsection ~~(5)~~ (6), "total disability insurance premium" does not include premiums received from disability income insurance, credit disability insurance, disability waiver insurance, life insurance, medicare risk or other similar medicare health maintenance organization payments, or medicaid health maintenance organization payments.

(c) Any income in excess of the incurred or estimated claims expenses of the association plan and the association portability plan and the operating and administrative expenses of the association must be held at interest and used by the association to offset past and future losses because of claims expenses of the association plan and the association portability plan or be allocated to reduce association plan premiums.

~~(6)(7)~~ The proportion of the annual assessment allocated to the operation and expenses of the association plan, not to include any amount of late payment penalty or interest charged, may be offset by an association member against the premium tax payable by that association member pursuant to 33-2-705 for the year in which the annual assessment is levied. The commissioner shall report to the office of budget and program planning, as a part of the information required by 17-7-111, the total amount of premium tax offset claimed by association members during the preceding biennium. The proportion of the annual assessment allocated to the operation and expenses of the association portability plan and levied against an association member may not be offset against the premium tax payable by that association member."

- (b) the name, address, and age of spouse and children, if any, if they are to be insured;
- (c) written evidence that the person fulfills all of the elements of an eligible person, as defined in 33-22-1501;

and

- (d) a designation of coverage desired.

(2) Within 30 days of receipt of the certificate, the lead carrier shall either reject the application for failing to comply with the requirements of subsection (1) or forward the eligible person a notice of acceptance and billing information. Insurance is effective on the first of the month following acceptance.

(3) An eligible person may not purchase more than one policy from the association plan.

The association may not apply a preexisting condition exclusion to coverage under the association portability plan if application for association portability plan coverage is made by a federally defined eligible individual or a qualified TAA-eligible individual within 63 days following termination of the applicant's most recent prior creditable coverage. The association shall waive any time period applicable to a preexisting condition exclusion for the period of time that any other eligible individual, including an individual who is eligible pursuant to 33-22-1501(7)(a)(ii)(B), was covered under the following types of coverage if the coverage was continuous to a date not more than 30 days prior to submission of an application for coverage under the association plan:

(a) an individual health insurance policy that includes coverage by an insurance company, a fraternal benefit society, a health service corporation, or a health maintenance organization that provides benefits similar to or exceeding the benefits provided by the association plan; or

The loaned funds may be used only to pay incurred or estimated claims expenses of the association plan and the association portability plan and the operating and administrative expenses of the association.

**"NEW SECTION. Section 1. Default supply resource planning and procurement -- duties of default supplier -- objectives -- commission rules.** (1) The default supplier shall:

- (a) plan for future default supply resource needs;
- (b) manage a portfolio of default supply resources; and
- (c) procure new default supply resources when needed.

(2) The default supplier shall pursue the following objectives in fulfilling its duties pursuant to subsection (1):

- (a) provide adequate and reliable default supply services at the lowest long-term total cost;
- (b) conduct an efficient default supply resource planning and procurement process that evaluates the full range of cost-effective electricity supply and demand-side management options;
- (c) identify and cost-effectively manage and mitigate risks related to its obligation to provide default electricity supply service;

- (d) use open, fair, and competitive procurement processes whenever possible; and
- (e) provide default supply services at just and reasonable rates.

(3) By December 31, 2003, the commission shall adopt rules that guide the default supply resource planning and procurement processes used by the default supplier and facilitate the achievement of the objectives in subsection (2)

HOUSE JOURNAL  
SIXTY-NINTH LEGISLATIVE DAY - APRIL 1, 2003

by the default supplier. The rules must establish:

- (a) goals, objectives, and guidelines that are consistent with the objectives in subsection (2) for:
  - (i) planning for future default supply resource needs;
  - (ii) managing the portfolio of default supply resources; and
  - (iii) procuring new default supply resources;
- (b) standards for the evaluation by the commission of the reasonableness of a power supply purchase agreement proposed by the default supplier; and
- (c) minimum filing requirements for an application by the default supplier for advanced approval of a proposed power supply purchase agreement."

**Insert: "NEW SECTION. Section 2. Default supply resource procurement plans -- comment on plans.** (1) The default supplier shall develop default supply resource procurement plans. The plans must be submitted to the commission at intervals determined in rules adopted by the commission pursuant to [section 1].

(2) A default supply resource procurement plan must demonstrate the default supplier's achievement of the objectives provided in [section 1] and compliance with the rules adopted pursuant to [section 1].

- (3) The commission shall:
- (a) review the default supply resource procurement plan;
  - (b) provide an opportunity to the public to comment on the plan; and
  - (c) issue written comments that identify:
    - (i) any concerns of the commission regarding the default supplier's compliance with the rules adopted pursuant to [section 1]; and
    - (ii) ways to remedy any concerns."

**Insert: "NEW SECTION. Section 3. Default supply filings -- commission processing and approval.** (1) A default supplier may apply to the commission for advanced approval of a power supply purchase agreement that is:

- (a) not executed; or
- (b) executed with a provision that allows termination of the agreement if the commission does not find the agreement reasonable.

(2) (a) The commission shall issue an order on the default supplier's application for advanced approval of a power supply purchase agreement in a timely manner as provided in this subsection (2).

(b) In establishing an administrative procedure for reviewing an application for advanced approval, the commission shall consider any financing and market constraints and the due process rights of affected persons.

(c) Within 45 days of the default supplier's submission of an application for advanced approval, the commission shall determine whether or not the application is adequate and in compliance with the commission's minimum filing requirements. If the commission determines that the application is inadequate, it shall explain how the filing fails to comply with the objectives in [section 1] and the rules adopted pursuant to [section 1].

(d) The commission shall issue an order within 180 days of receipt of an adequate application unless it determines that extraordinary circumstances require additional time.

(e) To facilitate timely consideration of an application, the commission may initiate proceedings to evaluate planning and procurement activities related to a potential resource procurement prior to the default supplier's submission of an application for approval.

(3) (a) The commission may approve or deny, in whole or in part, an application for advanced approval of a power supply purchase agreement.

(b) The commission may consider all relevant information known up to the time that the administrative record in the proceeding is closed in the evaluation of an application for advanced approval of a power supply purchase agreement.

(c) A commission order granting advanced approval of a power supply purchase agreement must include the following findings:

- (i) advanced approval of all or part of the agreement is in the public interest;
- (ii) the agreement resulted from a reasonable effort by the default supplier to comply with the objectives in [section 1] and the rules adopted pursuant to [section 1]; and

HOUSE JOURNAL  
SIXTY-NINTH LEGISLATIVE DAY - APRIL 1, 2003

(iii) the price, quantity, duration, and other contract terms directly related to the price, quantity, and duration of the power supply purchase agreement are reasonable.

(d) The commission order may include other findings that the commission determines are necessary.

(e) A commission order that denies advanced approval must describe why the findings required in subsection (3)(c) could not be reached.

(4) Notwithstanding any provision of this chapter to the contrary, if the commission has issued an order containing the findings required under subsection (3)(c), the commission may not subsequently disallow the recovery of costs incurred under the agreement based on contrary findings.

(5) If a default supplier does not apply for advanced approval of a power supply purchase agreement, the commission shall consider the prudence of the default supplier's resource procurement actions in the context of a default supplier's cost recovery filing pursuant to 69-8-210 or in a separate proceeding. The commission's decisions in these proceedings must be based on facts that were known or should reasonably have been known by the default supplier at the time of its procurement decisions.

(6) Nothing limits the commission's ability to subsequently, in any future cost recovery proceeding, inquire into the manner in which the default supplier has managed a power supply purchase agreement as part of its overall portfolio. The commission may subsequently disallow default supply costs that result from the failure of a default supplier to reasonably administer power supply purchase agreements in the context of its overall default supply portfolio management and service obligations.

(7) The commission may engage independent consultants or advisory services to evaluate a utility's default supply resource procurement plans and proposed power supply purchase agreements. The consultants must have demonstrated knowledge and experience with electricity supply procurement and resource portfolio management, modeling, and risk management practices. The commission shall charge a fee to the default supplier to pay for the costs of consultants or advisory services. These costs are recoverable in default supply rates."

(2) ~~No~~ Except for a fee assessed pursuant to [section 3(7)], no fee set by the commission may exceed \$500.

(3) All fees collected by the department under [section 3(7)] must be deposited in an account in the special revenue fund. Funds in this account must be used as provided in [section 3(7)]."

~~———— (2) During the transition period, the commission may establish cost-based prices for electricity supply service for customers that do not have a choice of electricity supply service or that have not yet chosen an electricity supplier.~~

~~———— (3) If the transition period is extended, then the customers' distribution services provider shall:~~

~~———— (a) extend any cost-based contract with the distribution services provider's affiliate supplier for a term of not more than 3 years; or~~

~~———— (b) purchase electricity from the market; and~~

~~———— (c) use a mechanism that recovers electricity supply costs in rates to ensure that those costs are fully recovered.~~

(1) A public utility's distribution services provider shall provide default supply service.

(2) The commission shall establish an electricity cost recovery mechanism that allows a default supplier to fully recover prudently incurred electricity supply costs, subject to the provisions of [sections 1 and 2]. The cost recovery mechanism must provide for prospective rate adjustments for cost differences resulting from cost changes, load changes, and the time value of money on the differences.

(3) The commission may direct a default supplier to offer its customers multiple default supply service options if the commission determines that those options are in the public interest and are consistent with the provisions of 69-8-104 and 69-8-201.

HOUSE JOURNAL  
SIXTY-NINTH LEGISLATIVE DAY - APRIL 1, 2003

(4) Notwithstanding any service options that the commission may require pursuant to subsection (3), a default supplier shall offer its customers the option of purchasing a product composed of or supporting power from certified environmentally preferred resources that include but are not limited to wind, solar, geothermal, and biomass, subject to review and approval by the commission. The commission shall ensure that these resources have been certified as meeting industry-accepted standards.

**Insert: "Section 4.** Section 20-10-101, MCA, is amended to read:

**"20-10-101. Definitions.** As used in this title, unless the context clearly indicates otherwise, the following definitions apply:

(1) "Bus route" means a route approved by the board of trustees of a school district and by the county transportation committee.

(2) "Eligible transportee" means a public school pupil who:

(a) is 5 years of age or older and has not reached the age of 21 on or before September 10 of the current school year or who is a preschool child with a disability between the ages of 3 and 6;

(b) is a resident of the state of Montana;

(c) regardless of district and county boundaries:

(i) resides at least 3 miles, over the shortest practical route, from the nearest operating public elementary school or public high school, whichever the case may be; or

(ii) has transportation identified as a related service in an individualized education program as developed and implemented in accordance with the Individuals With Disabilities Education Act, 20 U.S.C. 1400, et seq.; and

(d) is considered to reside with a parent or guardian who maintains legal residence within the boundaries of the district furnishing the transportation regardless of where the eligible transportee actually lives when attending school.

(3) "Passenger seating position" means, as defined in 49 CFR 571.222, the space on a school bus allocated for one passenger.

(4) (a) "School bus" means, except as provided in subsection (4)(b), any motor vehicle that:

(i) complies with the bus standards established by the board of public education as verified by the department of justice's semiannual inspection of school buses and the superintendent of public instruction; and

(ii) is owned by a district or other public agency and operated for the transportation of pupils to or from school or owned by a carrier under contract with a district or public agency to provide transportation of pupils to or from school.

(b) A school bus does not include a vehicle that is:

(i) privately owned and not operated for compensation under this title;

(ii) privately owned and operated for reimbursement under 20-10-142;

(iii) either district-owned or privately owned, designed to carry not more than nine passengers, and used to transport pupils to or from activity events or to transport pupils to their homes in case of illness or other emergency situations; or

(iv) an over-the-road passenger coach used only to transport pupils to activity events.

(5) "Transportation" means:

(a) a district's conveyance of a pupil by a school bus between the pupil's legal residence or an officially designated bus stop and the school designated by the trustees for the pupil's attendance; or

(b) "individual transportation" by which a district is relieved of actually conveying a pupil. Individual transportation may include paying the parent or guardian for conveying the pupil, reimbursing the parent or guardian for the pupil's board and room, or providing supervised correspondence study or supervised home study.

(6) "Transportation service area" means the geographic area of responsibility for school bus transportation for each district that operates a school bus transportation program.

~~(7) "Weighted ridership" means the sum of the passenger points assigned to the eligible transportees who are transported on a bus route."~~

**Insert: "Section 5.** Section 20-10-141, MCA, is amended to read:

**"20-10-141. Schedule of maximum reimbursement by mileage rates.** (1) The following mileage rates in subsection (2) for school transportation constitute the maximum reimbursement to districts for school transportation from state and county sources of transportation revenue under the provisions of 20-10-145 and 20-10-146. These rates may not limit the amount that a district may budget in its transportation fund budget in order to provide for the estimated and necessary cost of school transportation during the ensuing school fiscal year. All bus miles traveled on bus routes approved by the county transportation committee are reimbursable. Nonbus mileage is reimbursable for a vehicle driven

HOUSE JOURNAL  
SEVENTY-FIRST LEGISLATIVE DAY - APRIL 3, 2003

by a bus driver to and from an overnight location of a school bus when the location is more than 10 miles from the school. A district may approve additional bus or nonbus miles within its own district or approved service area but may not claim reimbursement for the mileage. Any vehicle, the operation of which is reimbursed for bus mileage under the rate provisions of this schedule, must be a school bus, as defined by this title, driven by a qualified driver on a bus route approved by the county transportation committee and the superintendent of public instruction.

(2) (a) The rate per for each bus mile traveled must be determined in accordance with the following schedule ~~when the weighted ridership assigned to a bus route is not less than one-half of the rated capacity of the school bus:~~

~~(a)(i)~~ 85 95 cents per bus mile for a school bus with a rated capacity of not more than ~~45~~ 49 passenger seating positions;

(ii) \$1.15 for a school bus with a rated capacity of 50 to 59 passenger seating positions;

(iii) \$1.36 for a school bus with a rated capacity of 60 to 69 passenger seating positions;

(iv) \$1.57 for a school bus with a rated capacity of 70 to 79 passenger seating positions; and

(v) \$1.80 for a school bus with 80 or more passenger seating positions.

~~(b) when the rated capacity is more than 45 passenger seating positions, an additional 2.13 cents per bus mile for each additional passenger seating position in the rated capacity in excess of 45 must be added to a base rate of 85 cents per bus mile~~ Nonbus mileage, as provided in subsection (1), must be reimbursed at a rate of 50 cents a mile.

~~(3) Reimbursement for nonbus mileage provided for in subsection (1) may not exceed 50% of the maximum reimbursement rate determined under subsection (2):~~

~~(4) When the weighted ridership assigned to a bus route is less than one-half of the rated capacity of the school bus, the rate per bus mile traveled must be computed as follows:~~

~~(a) determine the weighted ridership assigned to the bus route;~~

~~(b) multiply the number determined in subsection (4)(a) by two; and~~

~~(c) use the adjusted rated capacity determined in subsection (4)(b) as the rated capacity of the bus to determine the rate per bus mile traveled from the rate schedule in subsection (2):~~

~~(5)(3)~~ The rated capacity is the number of passenger seating positions of a school bus as determined under the policy adopted by the board of public education. If modification of a school bus to accommodate pupils with disabilities reduces the rated capacity of the bus, the reimbursement to a district for pupil transportation is based on the rated capacity of the bus prior to modification.

~~(6)(4)~~ The number of pupils riding the school bus may not exceed the passenger seating positions of the bus.""

## **SPECIAL ORDERS OF THE DAY**

### **Legislative Memorial service April 6, 2003**

#### **FRANCIS BARDANOUE**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Francis Bardanoue on March 17, 2002 in Havre, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Bardanoue be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Francis Bardanoue, the second longest-serving legislator in Montana history, was born in Harlem, Montana on December 10, 1917. He was the son of Blaine County homesteaders, John Bardanoue and Alice Miller Bardanoue. He graduated from Harlem High School in 1937 and both he and his wife, Venus, were awarded Honorary Doctorates of Letters from Montana State University in 1996.

Francis married Venus Potts in Harlem, Montana, 1967, where they lived on the Bardanoue ranch, the third generation of Bardanoue ranchers. Francis deeply loved their three children, Kathleen, Elizabeth, and Dr. Kedric Cecil.

Francis Bardanoue was a man of integrity. He was elected to the Montana House of Representatives in 1959 where he served for 36 years. He held the respect of his colleagues for his honesty, hard work, and integrity. His longevity earned him the title 'Dean of the House'.

He was chairman of the House Appropriations Committee where he helped shape and set policy that balanced the needs of the people of Montana. He inspired people to not only advocate with vigor, but to balance the scales of financial justice. Representative Bardanoue still holds the record for moving an appropriations bill through the legislature in only three days.

Francis Bardanouve was very theatrical. He often sat in his chair, eyes closed, head on his chest. About the time people assumed he was dozing, Francis would sit straight up, slap the table with his ham-like hand, and loudly declare, "Just a minute!" Then, to everyone's amazement, he would recount statements that had been made by witnesses, followed by his usual penetrating questions.

He was a compassionate legislator leading the effort to redesign Montana's institutions for our most vulnerable citizens. Early in his legislative career, he visited the Montana Development Center in Boulder where a young boy reached up and took his hand. From that bond, Francis returned to the legislature the next day and embarked on a continued effort to improve conditions at the Center.

He supported projects in north central Montana with his own personal funds, although he seldom allowed that fact to be publicized. The story has been told that Francis would arrive unannounced in various Montana communities asking, for example, "show me that new boiler we appropriated funds for last session." Other state-supported institutions also received such requests if Francis happened to be driving through their community. He was especially proud of his service on the farm supervisory board at the state prison and was responsible for making the state of Montana permanent owners of Charlie Russell's art.

Always a gentleman, Francis will long be remembered in the Montana legislature for his courteous treatment of everyone. His love for Montana was total and his accomplishments profound and remembered. Francis fulfilled his purpose of making Montana a better place for all.

He is survived by his wife Venus, and daughters Elizabeth Kuntz and Kathleen Barnes, son Kendric Cecil, eleven grandchildren and ten great-grandchildren.

In addition to his wife Dorothy, Dale leaves behind two sons, Brad of Missoula and Brian of Hamilton, his mother, Gertrude Melby, of Laurel, and his brother, James Berry of Ellensburg, Washington.

#### **HENRY STUART COX**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Henry S. Cox on March 30, 2001 in Billings, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Cox be filed on the official

records of this Assembly and the following facts relative to his career are hereby noted:

Henry S. Cox was born Francis Wilkes in Chicago, Illinois, March 24, 1923. He was adopted at 6 weeks old by Henry D. and Kathryn Cox, who named him Henry Stuart Cox. At a young age, he moved with his father to Ohio where he was raised by a loving extended family.

On April 11, 1944, Henry met his future wife Doris Buzard at a county music festival while he was a student at North Lima, Ohio, High School. They had 56 wonderful years of marriage. Their mutual love of music and singing was one of the interests Hank and Doris shared. They raised five children - Karen, David, Jeanne, Mary and Danny.

Hank graduated from High School in 1941 and in the fall entered Kent State University on a baseball and basketball scholarship. He played semi-pro baseball for a time. WWII interrupted his education and he promptly enlisted in the U.S. Navy. He served in the Pacific on the aircraft carrier U.S.S. Wasp until his discharge in August 1945.

After the war, Hank re-entered college under the G.I. Bill, graduating from the University of Wyoming in 1952 with a degree in education. Hank taught several high school subjects and coached all sports including American Legion Baseball.

In 1956, Henry moved his family to Billings where he became a popular government teacher and coach at Billings Senior High School. He continued teaching full time and coaching golf until his retirement in 1985. During 32 years in education, he touched the lives of many students, parents and fellow educators. When asked later in life what he had taught, he would always say, "I taught kids!"

Representative Sue Dickenson spoke as also being one of Hank's "kids." She credits Hank with her interest in public affairs and running for the legislature. "Mr. Cox introduced ideas and questions in civics class which truly sparked critical thinking. Mr. Cox stressed the importance of, and the fun, in serving your community through public service. Mr. Cox was truly an inspiration to me; an honest, hard-working man with a great sense of humor and a strong sense of public responsibility."

Hank turned his love of government and politics into action when he was elected to the Billings City Council in the early 1960s. In 1966, he was elected to his first term in the Montana House of Representatives. In 1970, he was re-elected to his former seat in the Legislature where he served two additional terms.

Hank served as the Billings Mustangs' public address announcer for 20 seasons. He was a member of the Lutheran Church of the Good Shepherd. Throughout his life, he was a faithful witness for Christ.

Hank is survived by his wife Doris, and his five children and numerous grandchildren.

### **WILLIAM ALBERT "BILL" GROFF**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of William Albert Groff on July 5, 2002, in Hamilton, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Groff be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Born in Victor, Montana on February 17, 1920 to Houston and Julia (Vicc) Groff, William Albert "Bill" Groff was the son and grandson of early Bitterroot pioneers. Julia Vicc was the first child of settlers to be born on the west side of the Bitterroot River. Houston Groff was an area rancher, teacher, legislator, and banker. Bill grew up on the family ranch west of Victor and attended the Victor school where his mother and father had been teachers.

He attended Kemper Military Academy in Missouri, the University of Texas, and the University of Montana. Following his graduation from U of M with a Bachelor's Degree in Business Administration, Bill enlisted in the Army in 1941, and served his country in the South Pacific Theater. He received an honorable discharge as First Lieutenant in February, 1946.

In 1946, Bill married Phyllis Ann Wiesener of Tuscola, Illinois. They made their home across from the family ranch in Victor where they raised their two daughters, Ann and Kay.

Following in his father's footsteps, Bill served as president of Farmers State Bank of Victor. He served on the bank's Board of Directors and was active in the bank until the time of his death.

Bill followed his father's example once again when he was elected to the Montana State Senate in 1954. He remained in that position for twenty years, serving as Chairman of the Finance and Claims Committee and Majority Floor Leader.

Retirement from the Senate wasn't the end of Bill's service to the state of Montana. He became Director of the Department of Revenue in 1979, after working in the department for the preceding two years. In addition, Bill served as a member of the Western States Water Rights Commission, the National Association of Tax Administrators, Chairman of the Montana Board of Housing, and a member of the Montana Commission on Practice.

The Masonic Lodge #43, VFW, Elks, the Victor Senior Citizens, the American Legion, the Eagles and the Victor School Foundation, were some of the many civic organizations to which Bill contributed considerable time and resources.

In addition to his wife, Phyllis, Bill is survived by his two daughters, Ann and Kay. The family had asked that friends could make a contribution to the Victor School Foundation where Bill's parents had been early teachers. The Victor School had been an integral part of his life from the time he entered first grade until his death. With those memorials and other resources, the Victor School W.A. Groff Memorial classroom will soon be a reality.

### **HOWARD "SWEDE" HAMMOND**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Howard "Swede" Hammond on October 22, 2001, in Malta, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Hammond be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

The Montana Hi-line and Howard W. "Swede" Hammond seem to belong together. He was born in Westby in 1917, grew up in Whitewater, and got the basics for a teaching degree at Northern Montana College. His first teaching job was in Bainville in 1939. He spent most of the remainder of his life as an educator at Big Sandy.

Swede was absent from the Hi-line for only three periods: while in the service of the US Air Force in World War II, while earning bachelors and masters degrees from the University of Montana, and during the six terms he served in Montana's Senate.

Swede earned teaching majors in math, history and physical education. He taught all those subjects and more. He spent 27 years in the Big Sandy school system as teacher, coach, and school principal. Upon retirement, he and his wife Ella settled in Malta.

Swede was more than a devoted educator. He was more than a good coach. He was their mentor and friend. Charlie Klimas, an alumnus of Big Sandy School, recalled his high school principal: "The year I was a senior in high school, there were twelve kids on the Big Sandy basketball team and there was only one that had his original dad...[Swede] was certainly a second father to a lot of kids. "

He was just a wonderful person and role model for all of us. He had such a great sense of values, believed in God and family and country."

Upon retiring from his long and distinguished career in teaching, coaching, and school administration, Swede Hammond ran for and was elected to the Montana Senate in 1979, where he served for twelve years.

Many Hi-line organizations and projects benefitted greatly from Swede Hammond's generous contributions of time, counsel, and resources. Those groups include the Boards of Big Sandy Medical Center and Lutheran Home of the Good Shepherd. He helped create the Big Sky Christian Youth Ranch and worked with the Montana American Legion Boys State, Montana State Association of Student Councils, Montana Coaches Association, North Central Montana School Administrators, and North Central Montana High School Principals. He was also a member of VFW, American Legion, Malta Rotary Club, and Shrine Club.

He is survived by his wife, Ella, a daughter Patricia, two sons Michael and Howard, a sister Beverly Haugen of Kremlin, and two brothers, R.A. and Milton. There are nine grandchildren and one great-grandchild.

### **BURT L. HURWITZ**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Burt L. Hurwitz on October 3, 2001 in White Sulphur Springs.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Hurwitz be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Burt Hurwitz was born August 16, 1911 in Butte, Montana. Due to his mother's ill health, the Hurwitz family moved to Olean, New York about 1918 where Burt grew up and completed high school. Burt entered the University of Montana forestry program in September of 1934.

Burt met June Bower at the U of M and they were married September 28, 1935 in Spokane, Washington.

During the next two years, Burt worked every job he could on weekends and Christmas vacations. The young Hurwitz couple's summers were spent at or near various ranger stations where Burt would work as an intern as part of his Ranger training. He worked on Forest Service lookouts and ran CCC crews in the summers.

He completed his forestry degree in 1938. He was hired by the U.S. Forest Service and after several other assignments, he was transferred to White Sulphur Springs in 1944 as the forest ranger.

A 94-year-old rancher made it possible for Burt to purchase the Shannon Ranch. In 1950, their first summer on the ranch, the couple spent their life savings to put up hay using horse-drawn equipment.

They renamed the ranch the Lazy BH and despite dire predictions, fluctuating cow prices, rising interest rates, droughts, floods, and forest fires Burt and his family endured and prospered. Burt was named Outstanding Forestry School Alumni of the Year in 1985.

From a young age, Burt had a conviction that community service was an important part of life. He became involved in the White Sulphur Springs community by serving on the local school board. He was urged to run for county commissioner in 1953, a post he won, and held, for the next 23 years. He felt strongly that county commissions needed to unite to bring the voice of county government to the legislature and was instrumental in the founding of MACO, Montana Association of Counties, serving as its first president.

Burt was elected to the Montana House of Representatives in 1976 and was re-elected for two additional terms. After serving as chairman of the Human Services Subcommittee on Appropriations in 1981, Burt decided not to seek re-election. He was then appointed by former Governor Ted Schwinden to the Board of Regents; a position he held for seven years. The State of Montana has benefitted from his belief in the importance of community service and his dedication.

Burt's greatest love was the 50 years he spent ranching in Meagher County.

Burt and June were blessed with four children; sons Dan, Ben, and Michael, and a daughter, Rosana. All four children, including his wife June, survive him, as well as his nine grandchildren.

#### **BENNETT H. STEIN**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Bennett Harris Stein on December 14, 2001, in Livingston, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Stein be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Bennett Stein was born November 15, 1915 in Ravinia, Illinois. His father was a very successful lawyer, with a

client list that included the famous entertainers of the time, Amos and Andy. The senior Steins entertained frequently, sometimes hiring Guy Lombardo to provide the music.

After studying English Literature at Dartmouth for a time, Bennett hitchhiked out west, catching a ride on the back of a potato truck. "When he found Montana, it was the right place for him. "No one could have loved a land more than he loved Montana," according to his daughter, Linda Stein. Ben married Hildegard Balke in 1939 and they purchased a small dairy farm near Darby, where they lived for two and a half years, learning from the neighbors how to milk and butcher. They had five children and, in Ben's words, "spent wonderful days together in the ordinary routine of six square miles."

Ben worked as a journalist at the Great Falls Tribune and branched out into cattle ranching in the Shields Valley. Ben and Hildegard divorced in 1966.

In 1967, Ben purchased his place at the foot of the Crazy Mountains, married Glenna Hamilton and lived happily with her until Glenna died during heart surgery in 1978.

Ben continued to live a physically active life. He did some logging, had to snowshoe in part of most winters. He thrived on keeping fit and felt fortunate to ski, canoe, dance and hike the hills until he was past 80 years old. Linda remembers "at eighty, he could tire me out climbing up a mountain".

Ben edited and compiled the book "Tough Trip Through Paradise," the diaries of mountain man Andrew Garcia. It was first printed in 1967, and has been reprinted many times.

For the last six years of his life, he was limited to a sedentary lifestyle in Livingston on his four acres and with a view of the Absarokas. He then indulged himself in his love of reading.

A simple life in the presence of the Montana mountains defined Ben's existence for most of his life. When he was an English Literature major at Dartmouth, he wrote a paper entitled "Wordsworth and a Future Farmer," which his daughter Linda found and read after his death. It encapsulated the spirit with which he lived. Linda relates "In it, my father described his experiences spending months at a time in the wilderness since the age of seven, and working as a hired hand on farms as a young man. Both he, and Wordsworth, believed that an 'inner richness' could be gleaned from a life lived simply, in the presence of nature."

Ben served in the State Senate representing Park County for 14 years, from 1957 to 1971. His legislative service was distinctive in that he served part of it as a Democrat, and part as a Republican. But family and friends say he was always an independent at heart. At the time of Bennett's passing, former legislator and Supreme Court Justice Jean Turnage characterized him as "probably one of the most intelligent people that ever served in the Montana Legislature."

Bennett Harris Stein is survived by his five children, Karen, Linda, David, Leslie, and Peter and two grandchildren.

### **LEONARD E. VAINIO**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Leonard Vainio on April 10, 2001 in Missoula County.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Vainio be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Leonard was born February 3, 1939 in Butte, Montana. From the start of his education at St. John's Elementary in Butte, Leonard excelled in scholastics. He graduated from St. John's Elementary and Boys Central. He was valedictorian for the class of 1957 and was a recipient of several scholastic scholarships. After graduating from Boys Central, Leonard attended Seattle University on a baseball and basketball scholarship. He had the privilege to

play with NBA hall-of-famer, Elgin Baylor.

Leonard attended the University of Washington Dental School for one year. He had excellent gross motor skills but decided his fine motor skills required for caring for teeth were not up to par. Therefore, he elected to attend optometry school. He received his bachelors and his Doctor of Optometry degrees from Pacific University in Forest Grove, Oregon, in 1964.

In 1965, after returning to his hometown of Butte, he acquired the existing optometric practice of Dr. R. C. Haser. He later expanded this practice with satellite offices in Sheridan and Whitehall. With his brother, Dr. David Vainio, Leonard co-founded the American Eye Care Centers. Through this organization, the optometric practice was extended to most major Montana cities and Washington state.

Leonard was active in youth activities in Butte, excelling in baseball and basketball. His baseball career included American Legion, Seattle University, and the Copper League. He was one of Butte's premier shortstops. In the 1960s, he taught a 'baseball school' for Butte youths, training them in the fundamentals of the sport.

Leonard's basketball achievements were highlighted by membership on the 1956 Butte Central "Big 32" state championship team. With the championship game falling on St. Patrick's Day, the team appeared on the floor in green uniforms, to the delight of the crowd. This 1956 champion team was inducted into the Butte Sports Hall of Fame.

Leonard followed his father's political aspirations and was elected as a Montana State Senator from Silver Bow County in 1970 and served its citizens during the 56<sup>th</sup> Legislative session. He was instrumental in securing funding for construction of the existing mining/geology building and library at Montana Tech and legislation for osteopathic physicians to hold the same status as medical doctors.

Leonard is survived by his sister Patsy, and brothers David, and Kevin, along with many nieces and nephews. All who knew him surely miss his exuberant spirit and personality.

### **REINO JOHN "RAY" WAYRYNEN**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Reino John Wayrynen on January 23, 2003 in Surprise, Arizona.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Wayrynen be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Ray Wayrynen, former Montana House of Representatives Speaker and minority leader, was born September 24, 1922 in Hancock, Michigan.

He moved to Butte as a child, attended Grant School, and graduated from Butte High School in 1941. Ray enlisted in the Navy Seabees during World War II, and served in the South Pacific. After returning home, he attended Worsham College in Chicago, graduating as an embalmer and funeral director.

Ray and Nielsine Lowney began their life together in 1942 and to this union their daughter, Linda, was born.

Ray's political career began in 1957 when he was elected to the Montana House of Representatives, representing Silver Bow County until 1970. He served as House minority leader in 1963 and House speaker in 1965.

In 1971, Governor Forrest Anderson appointed him to the State Board of Equalization which later became the State Tax Appeals Board. He served as chairman of this board until his retirement in 1976. A highlight of Ray's political career was personally meeting Presidents John F. Kennedy and Lyndon B. Johnson.

While residing in Butte, Ray worked for White's Funeral Home, and Sherman and Reed Mortuary, which he later purchased. He and Nielsine built Wayrynen Funeral Home on Florence Avenue.

Ray belonged to several fraternal organizations, and serviced as the Worthy Patron of Butte Chapter No. 39, Order of the Eastern Star, Potentate of Bagdad Temple of the Shrine, and Secretary of Butte Court, Royal Order of Jesters. He was Secretary of Local Council No. 106 and Grand Secretary of Montana, Idaho, and Utah United Commercial Travelers.

Ray is survived by his wife Nielsine, daughter Linda, his grandchildren, and one great grandchild.

## **SPECIAL ORDERS OF THE DAY**

### **Legislative Memorial service April 6, 2003**

#### **FRANCIS BARDANOUE**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Francis Bardanoue on March 17, 2002 in Havre, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Bardanoue be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Francis Bardanoue, the second longest-serving legislator in Montana history, was born in Harlem, Montana on December 10, 1917. He was the son of Blaine County homesteaders, John Bardanoue and Alice Miller Bardanoue. He graduated from Harlem High School in 1937 and both he and his wife, Venus, were awarded Honorary Doctorates of Letters from Montana State University in 1996.

Francis married Venus Potts in Harlem, Montana, 1967, where they lived on the Bardanoue ranch, the third generation of Bardanoue ranchers. Francis deeply loved their three children, Kathleen, Elizabeth, and Dr. Kedric Cecil.

Francis Bardanoue was a man of integrity. He was elected to the Montana House of Representatives in 1959 where he served for 36 years. He held the respect of his colleagues for his honesty, hard work, and integrity. His longevity earned him the title 'Dean of the House'.

He was chairman of the House Appropriations Committee where he helped shape and set policy that balanced the needs of the people of Montana. He inspired people to not only advocate with vigor, but to balance the scales of financial justice. Representative Bardanoue still holds the record for moving an appropriations bill through the legislature in only three days.

Francis Bardanouve was very theatrical. He often sat in his chair, eyes closed, head on his chest. About the time people assumed he was dozing, Francis would sit straight up, slap the table with his ham-like hand, and loudly declare, "Just a minute!" Then, to everyone's amazement, he would recount statements that had been made by witnesses, followed by his usual penetrating questions.

He was a compassionate legislator leading the effort to redesign Montana's institutions for our most vulnerable citizens. Early in his legislative career, he visited the Montana Development Center in Boulder where a young boy reached up and took his hand. From that bond, Francis returned to the legislature the next day and embarked on a continued effort to improve conditions at the Center.

He supported projects in north central Montana with his own personal funds, although he seldom allowed that fact to be publicized. The story has been told that Francis would arrive unannounced in various Montana communities asking, for example, "show me that new boiler we appropriated funds for last session." Other state-supported institutions also received such requests if Francis happened to be driving through their community. He was especially proud of his service on the farm supervisory board at the state prison and was responsible for making the state of Montana permanent owners of Charlie Russell's art.

Always a gentleman, Francis will long be remembered in the Montana legislature for his courteous treatment of everyone. His love for Montana was total and his accomplishments profound and remembered. Francis fulfilled his purpose of making Montana a better place for all.

He is survived by his wife Venus, and daughters Elizabeth Kuntz and Kathleen Barnes, son Kendric Cecil, eleven grandchildren and ten great-grandchildren.

#### **HENRY STUART COX**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of Henry S. Cox on March 30, 2001 in Billings, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Cox be filed on the official

records of this Assembly and the following facts relative to his career are hereby noted:

Henry S. Cox was born Francis Wilkes in Chicago, Illinois, March 24, 1923. He was adopted at 6 weeks old by Henry D. and Kathryn Cox, who named him Henry Stuart Cox. At a young age, he moved with his father to Ohio where he was raised by a loving extended family.

On April 11, 1944, Henry met his future wife Doris Buzard at a county music festival while he was a student at North Lima, Ohio, High School. They had 56 wonderful years of marriage. Their mutual love of music and singing was one of the interests Hank and Doris shared. They raised five children - Karen, David, Jeanne, Mary and Danny.

Hank graduated from High School in 1941 and in the fall entered Kent State University on a baseball and basketball scholarship. He played semi-pro baseball for a time. WWII interrupted his education and he promptly enlisted in the U.S. Navy. He served in the Pacific on the aircraft carrier U.S.S. Wasp until his discharge in August 1945.

After the war, Hank re-entered college under the G.I. Bill, graduating from the University of Wyoming in 1952 with a degree in education. Hank taught several high school subjects and coached all sports including American Legion Baseball.

In 1956, Henry moved his family to Billings where he became a popular government teacher and coach at Billings Senior High School. He continued teaching full time and coaching golf until his retirement in 1985. During 32 years in education, he touched the lives of many students, parents and fellow educators. When asked later in life what he had taught, he would always say, "I taught kids!"

Representative Sue Dickenson spoke as also being one of Hank's "kids." She credits Hank with her interest in public affairs and running for the legislature. "Mr. Cox introduced ideas and questions in civics class which truly sparked critical thinking. Mr. Cox stressed the importance of, and the fun, in serving your community through public service. Mr. Cox was truly an inspiration to me; an honest, hard-working man with a great sense of humor and a strong sense of public responsibility."

Hank turned his love of government and politics into action when he was elected to the Billings City Council in the early 1960s. In 1966, he was elected to his first term in the Montana House of Representatives. In 1970, he was re-elected to his former seat in the Legislature where he served two additional terms.

Hank served as the Billings Mustangs' public address announcer for 20 seasons. He was a member of the Lutheran Church of the Good Shepherd. Throughout his life, he was a faithful witness for Christ.

Hank is survived by his wife Doris, and his five children and numerous grandchildren.

### **WILLIAM ALBERT "BILL" GROFF**

**WHEREAS**, it is with deep and sincere sorrow that the members of the Fifty-eighth Legislative Assembly of the State of Montana record the passing of William Albert Groff on July 5, 2002, in Hamilton, Montana.

**WHEREAS**, it is fitting and proper that the record and accomplishments of the late Mr. Groff be filed on the official records of this Assembly and the following facts relative to his career are hereby noted:

Born in Victor, Montana on February 17, 1920 to Houston and Julia (Vicc) Groff, William Albert "Bill" Groff was the son and grandson of early Bitterroot pioneers. Julia Vicc was the first child of settlers to be born on the west side of the Bitterroot River. Houston Groff was an area rancher, teacher, legislator, and banker. Bill grew up on the family ranch west of Victor and attended the Victor school where his mother and father had been teachers.

He attended Kemper Military Academy in Missouri, the University of Texas, and the University of Montana. Following his graduation from U of M with a Bachelor's Degree in Business Administration, Bill enlisted in the Army in 1941, and served his country in the South Pacific Theater. He received an honorable discharge as First Lieutenant in February, 1946.

In 1946, Bill married Phyllis Ann Wiesener of Tuscola, Illinois. They made their home across from the family ranch in Victor where they raised their two daughters, Ann and Kay.

Following in his father's footsteps, Bill served as president of Farmers State Bank of Victor. He served on the bank's Board of Directors and was active in the bank until the time of his death.

Bill followed his father's example once again when he was elected to the Montana State Senate in 1954. He remained in that position for twenty years, serving as Chairman of the Finance and Claims Committee and Majority Floor Leader.

Retirement from the Senate wasn't the end of Bill's service to the state of Montana. He became Director of the Department of Revenue in 1979, after working in the department for the preceding two years. In addition, Bill served as a member of the Western States Water Rights Commission, the National Association of Tax Administrators, Chairman of the Montana Board of Housing, and a member of the Montana Commission on Practice.

The Masonic Lodge #43, VFW, Elks, the Victor Senior Citizens, the American Legion, the Eagles and the Victor School Foundation, were some of the many civic organizations to which Bill contributed considerable time and resources.

In addition to his wife, Phyllis, Bill is survived by his two daughters, Ann and Kay. The family had asked that friends could make a contribution to the Victor School Foundation where Bill's parents had been early teachers. The Victor School had been an integral part of his life from the time he entered first grade until his death. With those memorials and other resources, the Victor School W.A. Groff Memorial classroom will soon be a reality.
